the terms and provisions of the Purchase Agreements and Proposed Order and in order for the Purchaser to exercise remedies thereunder.

In support of this Motion, the City has filed herewith the (i) Declaration of Charles M. Moore in Support of the Motion of the Debtor for a Final Order Pursuant to 11 U.S.C. §§105, 362, 364(c)(1), 364(c)(2), 364(e), 364(f), 503, 507(a)(2), 904, 921 and 922 (I) Approving Post-Petition Financing, (II) Granting Liens and Providing Superpriority Claim Status and (III) Modifying Automatic Stay (the “Moore Declaration”) attached hereto as Exhibit 5A and (ii) the Declaration of James Doak in Support of the Motion of the Debtor for a Final Order Pursuant to 11 U.S.C. §§105, 362, 364(c)(1), 364(c)(2), 364(e), 364(f), 503, 507(a)(2), 904, 921 and 922 (I) Approving Post-Petition Financing, (II) Granting Liens and Providing Superpriority Claim Status and (III) Modifying Automatic Stay (the “Doak Declaration”) attached hereto as Exhibit 5B. In further support of this Motion, the City respectfully represents as follows:

Jurisdiction

1. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue for this matter is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

Chapter 9 Filing and Appointment of Emergency Manager

2. On July 18, 2013 (the "Petition Date"), the City filed a petition for relief in this Court, thereby commencing the largest chapter 9 case in history.

3. Incorporated in 1806, Detroit is the largest city in Michigan. As of December 2012, the City had a population of less than 685,000 (down from a peak population of nearly 2 million in 1950). Over the past several decades, the City has experienced significant economic challenges that have negatively impacted employment, business conditions and the overall quality of life in the City.

4. As of June 30, 2013 — the end of the City's 2013 fiscal year — the City's liabilities exceeded \$18 billion (including, among other things, general obligation and special revenue bonds, unfunded actuarially accrued pension and other postemployment benefit liabilities, pension obligation certificate liabilities and related derivative liabilities). As of June 30, 2013, the City's accumulated unrestricted general fund deficit was approximately \$237 million.

5. In February 2013, a state review team determined that a local government financial emergency exists in the City. Thereafter, in March 2013, Kevyn D. Orr was appointed, and now serves as, emergency manager with respect to the City (in such capacity, the "Emergency Manager") under Public Act 436 of 2012, the Local Financial Stability and Choice Act, MCL § 141.1541, et seq.

("P.A. 436"). Under Section 18(1) of PA 436, the Emergency Manager acts exclusively on behalf of the City in this chapter 9 case. MCL § 141.1558.

Intended Use of Proceeds of the Postpetition Financing

6. The Postpetition Financing, totaling up to \$350,000,000, will be comprised of two series of secured bonds — the “Swap Termination Bonds”, and the “Quality of Life Bonds” (and together, collectively, the “Bonds”). As will be discussed in greater detail below, the proceeds of the Swap Termination Bonds will allow the City to:

- capture a significant negotiated discount — approximately \$50 million (and potentially more) — to its obligations under the Forbearance Agreement (defined in ¶8 below) with respect to any termination of the Swap Agreements (defined in ¶9 below); and
- eliminate its significant annual debt service obligations with respect to the Swap Agreements thus saving the City over \$35 million per year in future liability.

7. Proceeds of the Quality of Life Bonds will be used to advance certain key investment initiatives of the City, including, but not limited to, essential investments in blight removal, public safety and technology infrastructure. The City believes that its decision to obtain the Postpetition Financing is well supported by sound business judgment and should be approved.

A. Repayment of Swap Obligations Under the Forbearance Agreement

8. Pending before this Court is a motion (the “Forbearance Agreement Approval Motion”)² of the City for approval of the Forbearance and Option Termination Agreement (as amended, the “Forbearance Agreement”), dated as of July 15, 2013, among the City, the Emergency Manager, the Detroit General Retirement System Service Corporation (“DGRS”), the Detroit Police and Fire Retirement System Service Corporation (“PFRS” and together with DGRS, each a “Service Corporation” and collectively, the “Service Corporations”), on the one hand, and UBS AG (“UBS”) and Merrill Lynch Capital Services, Inc. (“MLCS” and, together with UBS, each a “Swap Counterparty” and collectively, the “Swap Counterparties”), on the other.

9. The Service Corporations and the Swap Counterparties are parties to certain swap transactions effectuated pursuant to ISDA Master Agreements (as applicable, the “MLCS Swap Agreements” and the “UBS Swap Agreements” and collectively, the “Swap Agreements”).

10. In connection with the Swap Agreements, the City, the Service Corporations, the Swap Counterparties and U.S. Bank, National Association (as custodian) entered into a Collateral Agreement, dated as of June 15, 2009 (the

² Docket No. 157.

“Collateral Agreement”)³, pursuant to which the City and the Service Corporations, directly or indirectly, pledged the City’s so-called “gaming revenue” as collateral to the Swap Counterparties on account of their respective obligations under, or related to, the Swap Agreements.

11. Prior to the execution of the Forbearance Agreement, the Swap Counterparties alleged that one or more events of default and/or termination events had occurred under the terms of the Swap Agreements, thus giving rise to a right of the Swap Counterparties to terminate their respective Swap Agreements under the terms thereof and to begin enforcement remedies under the Collateral Agreement, which would potentially entail, among other things, the Swap Counterparties’ capturing significant gaming revenues of the City. The Swap Counterparties have argued that these enforcement actions would not have been stayed following the bankruptcy filing, pursuant to section 362(b)(17) of the Bankruptcy Code. Under the Forbearance Agreement, the Swap Counterparties have agreed to forbear from exercising these remedies in respect of the Swap Agreements and the Collateral Agreement during the Forbearance Period (as defined in the Forbearance Agreement). Additionally, as noted above, the parties have negotiated that the City’s obligations under the Forbearance Agreement with respect to any early

³ The Collateral Agreement is attached as Exhibit 5 to the Forbearance Agreement Approval Motion.

termination of the Swap Agreements are subject to a significant discount if the Swap Agreements are terminated by certain milestones, as set forth below.

12. Pursuant to Section 3.1(a) of the Forbearance Agreement, if approved, the City can direct UBS to exercise the right to terminate all of the transactions under all of the UBS Swap Agreements (the “UBS Termination Right”). Pursuant to Section 3.1(b) of the Forbearance Agreement, the City can direct MLCS to exercise the right to terminate all of the transactions under all of the MLCS Swap Agreements (the “MLCS Termination Right” and together with the UBS Termination Right, the “Termination Rights”).

13. Pursuant to Section 3.2(a) of the Forbearance Agreement, the City is permitted to direct the exercise of the Termination Rights only once, by written notice (the “Optional Termination Notice”) to MLCS and UBS on a day (the “Optional Termination Notice Date”) that is at least seven (7) business days and not more than ten (10) business days prior to the proposed date of termination set forth in the Optional Termination Notice (the “Optional Termination Date”). The Optional Termination Notice must be accompanied by “evidence reasonably satisfactory to each of UBS and MLCS that the City will have funds ... sufficient to pay in cash” the termination amounts in respect of the Swap Agreements on the Optional Termination Date. See Forbearance Agreement § 3.2(a). On or before the second business day following the Optional Termination Date, the City is

required to pay to the Swap Counterparties in cash all amounts owing with respect to the terminated Swap Agreements (the “Optional Termination Amounts”). See Forbearance Agreement § 3.3(a).

14. The Optional Termination Amounts will be determined by an agreed methodology among the parties and will be based on the present value of the amounts due under the Swap Agreements, as adjusted to take into account three (3) basis points of breakage costs. See Forbearance Agreement § 3.5. Importantly, the Forbearance Agreement contemplates that, if the City causes an Optional Termination Notice Date to occur on or before certain milestones, the Optional Termination Amount will be reduced by the “Applicable Percentage” as follows:

- If the Optional Termination Notice Date occurs on or prior to October 31, 2013 (the “First Payment Adjustment Date”), the Optional Termination Amounts shall be reduced by 25%;
- If the Optional Termination Notice Date occurs on or prior to November 15, 2013 (the “Second Payment Adjustment Date”), the Optional Termination Amounts shall be reduced by 23%; and
- If the Optional Termination Notice Date occurs after the Second Payment Adjustment Date, but prior to the deadline for exercising the Termination Right, the Optional Termination Notice Amounts shall be reduced by 18%.

See Forbearance Agreement § 3.5.

15. The City contemplates using a portion of the Postpetition Financing (the “Swap Termination Financing”) to exercise the Termination Rights in connection with Swap Agreements and to fund payment of the Optional

Termination Amount as contemplated in the Forbearance Agreement. The City is prepared to move forward with the closing of the Postpetition Financing promptly upon the approval of this Motion and to issue the Optional Termination Notice.

16. The City intends, and believes it is well positioned to, cause the exercise of the Termination Rights and thus, take advantage of an 18% reduction in the Optional Termination Amounts (and perhaps a larger reduction if there is agreement to extend the Payment Adjustment Dates). By proceeding in this manner, and securing the benefit of a reduction in the Optional Termination Amount, the City will save approximately \$50 million in obligations owing with respect to the termination of the Swap Agreements, based on an estimated present market value of the Swap Agreements of approximately \$290 million.

17. Additionally, debt service obligations of the City during the term of the Postpetition Financing, assuming no events of default, are limited to interest payments only, and amount to approximately \$12 million annually, which is significantly less than the nearly \$50 million in annual debt service obligations that had been paid by the City in connection with the Swap Agreements, which will be eliminated in the event the Court approves the Motion and the Forbearance Agreement Approval Motion.

18. Importantly, the Forbearance Agreement permits the City to cause the Termination Rights to be exercised only once, and in connection with the

issuance of any Optional Termination Notice, the City must demonstrate to the Swap Counterparties that it has sufficient wherewithal to fund payment of the Optional Termination Amounts. Thus, the City believes it is imperative that the Postpetition Financing be approved as soon as practicably possible, and in any event prior to the issuance of any Optional Termination Notice, to eliminate any risk that the City's ability to fund its obligations under the Forbearance Agreement could be in dispute. Moreover, the Purchaser's commitment to lend under the Post-Petition Facility expires on January 7, 2014 and there is no indication that the Purchaser's commitment would be extended beyond that date. Thus, time is of the essence with respect to the relief sought in this Motion.

B. City Reinvestment

19. In addition to allowing the City to unwind its position in the Swap Agreements, the Postpetition Financing derived from the Quality of Life Bonds (the "Quality of Life Financing") will empower the City to begin the critical initial steps of rebuilding itself. Detroit's woes to this point have been well documented. For years, the City has suffered from decaying City infrastructure and deteriorating City services. To date, the focus of this case has centered on the City's financial obligations, and perhaps rightfully so, as the City's more than \$18 billion of debt is a truly staggering burden for a city that has lost nearly two-thirds of its population in the past half-century. Moore Dec. ¶ 7. And while there is little

question that the City must get out from underneath its staggering and unsustainable debt load, the City's true revival will be borne out, not on its balance sheet, but on its streets, and most importantly, in its neighborhoods and schools. Moore Dec. ¶7. Without significant reinvestment into the very building blocks of the City, its renaissance is not possible.

20. Toward that end, the City intends to aggressively pursue, and devote substantial resources to, a number of key initiatives (the "Reinvestment Initiatives") to reverse these debilitating trends. Moore Dec. ¶ 8. The Reinvestment Initiatives are wide-ranging and will take years to fully accomplish, but are ultimately designed to give the City the ability to: (a) provide improved basic, essential services to residents; (b) potentially improve recoveries for creditors; (c) maximize the collection of taxes and fees and, where appropriate, generate value from City assets; (d) attract new residents and businesses to foster growth and redevelopment; and (e) jumpstart what will be a lengthy process of reforming City government operations to improve efficiency and reduce costs, where appropriate. Moore Dec. ¶ 8. These initiatives will begin to lay the foundation for safer communities and a more efficient delivery of City services in the future. Moore Dec. ¶ 8.

21. Accordingly, the City has proposed to spend approximately \$1.25 billion over the next ten years on the Reinvestment Initiatives to remedy the

many deficiencies in the services it provides to residents and businesses. Moore Dec. ¶ 9. Given the financial need, the City has determined that it must look beyond its own coffers and rely on a multitude of sources to facilitate the Reinvestment Initiatives, including support from the state and federal governments as well as private institutions. Moore Dec. ¶ 9.

22. Consequently, the Quality of Life Financing is an appropriate, and indeed essential, tool with which to continue tackling these significant challenges. Moore Dec. ¶ 10. Although the funds sought via the Quality of Life Financing will not address all of the Reinvestment Initiatives, the Quality of Life Financing will kick-start this long-term reinvestment process at the rate of approximately \$20 million per month (beginning in January 2014) of net reinvestment activity during this fiscal year. Without borrowed funds, there is a material risk that the City would have to substantially cut back or eliminate its reinvestment efforts in the near-term, and the City's ability to invest in the future would continue to be hamstrung and imperiled by the City's on-going financial constraints. Moore Dec. ¶ 10.

23. The sums borrowed in connection with the Quality of Life Financing are designed to be a manageable and responsible amount of debt load that the City can service, while at the same time making a meaningful investment into the City's infrastructure and labor requirements. Moore Dec. ¶ 11. While the

City may ultimately decide to apply the proceeds of the Quality of Life Financing to pursue an array of specific projects, at this time the City intends to prioritize and devote the proceeds of the Quality of Life Financing to three primary areas: public safety, information technology upgrades and blight removal. Moore Dec. ¶ 11.

(i) *Public Safety: DPD, DFD, and EMS*

24. Levels of crime (especially violent crime) in the City are of particular concern, with the City earning the dubious distinction in 2012 of having the highest rate of violent crime of any U.S. city with a population over 200,000. Moore Dec. ¶ 12. In the face of this epidemic, the City's police department (the "DPD"), which has had five different chiefs in as many years, is currently facing operational difficulties from a sheer lack of investment over the years. Moore Dec. ¶ 12. Most fundamentally, the DPD simply lacks the personnel necessary to respond to incidents, emergency or otherwise, throughout the City, thus greatly limiting DPD's ability to engage in the kind of pro-active community policing that is necessary to curb the infestation of street gangs and other criminal elements in the City's neighborhoods. Moore Dec. ¶ 12.

25. At the same time, short-handed DPD officers are being asked to do more with dangerously less — DPD officers lack many of the most basic tools to combat crime, such as bulletproof jackets and taser guns. Moore Dec. ¶ 13. DPD facilities are old, outdated and in disrepair. Moore Dec. ¶ 13. The DPD's

information technology hardware and software is outdated with multiple disparate systems that are not integrated, are not fully supported by maintenance contracts, and are at critical levels of disrepair, thus greatly inhibiting the ability of officers to perform basic public safety functions. Moore Dec. ¶ 13. Critically, the DPD operates with an extremely old fleet of police vehicles, many of which lack the necessary information technology to facilitate efficient police work. Moore Dec. ¶ 13. The current state of operations at DPD have gravely eroded employee morale, thus undermining the City's ability to adequately perform one of its core missions — providing basic public safety to its citizens. Moore Dec. ¶ 13.

26. The City has identified a number of quantifiable and qualitative objectives to greatly improve the DPD's operations, including the reduction of response times to the national average, increased case closure rates, updated fleets and facilities, modernization of information technology and refinement of the organization and related personnel structure. Moore Dec. ¶ 14. The City is committed to bringing DPD staffing up to levels sufficient to allow it to effectively protect the residents and businesses of the City and will use the Quality of Life Financing to support the hiring of additional officers and the civilianization of administrative functions throughout DPD. Moore Dec. ¶ 14. In addition, the Quality of Life Financing will support the modernization of the DPD's vehicle fleet and will be used to obtain new vehicles for the Department. Moore Dec. ¶ 14.

Further, the City will replace DPD's outdated information technology hardware and software systems. Moore Dec. ¶ 14.

27. Like the DPD, the City's fire department (the "DFD") and emergency medical services division (the "EMS") are similarly hamstrung from a lack of investment over the years. Moore Dec. ¶ 15. The DFD has zero reserve vehicles and a mechanic to vehicle ratio of 1:39, thereby resulting in an inability to complete preventative maintenance on schedule and virtually ensuring that the City's firefighters are forced to operate shorthanded. Moore Dec. ¶ 15. Moreover, the DFD's fire stations are decades out of date and, in many cases, unable to effectively accommodate modern fire-fighting equipment. Moore Dec. ¶ 15. With respect to the EMS, during the first quarter of 2013, often only 10-14 of the City's 36 ambulances were actually in service. Moore Dec. ¶ 15. Those vehicles, many of which have been driven over 250,000 miles, frequently succumb to mechanical difficulties and cannot be relied upon. Moore Dec. ¶ 15. The resulting impact of these realities on the City's ability to provide the most basic health and safety services for its residents cannot be understated. Moore Dec. ¶ 15. Further, the risk to life and limb imposed on the City employees who must work under such conditions must be ameliorated. Moore Dec. ¶ 15.

28. The City has identified several initiatives to address the DFD's and EMS' aging infrastructure. Moore Dec. ¶ 16. The City will use, among other sources of funds, the Quality of Life Financing to make substantial investments in their respective fleets, information technology systems and facilities, all of which will greatly increase the operating efficiency of both the DFD and EMS. Moore Dec. ¶ 16. In particular, such initiatives will include streamlining billing and collections processes, increasing charges and fees and enhancing grant identification and management and evaluating all opportunities to integrate fire-fighting and EMS functions. Moore Dec. ¶ 16.

(ii) Information Technology Services (ITS)

29. The City's technology infrastructure is extraordinarily antiquated, with virtually no integration across departments and functions. Moore Dec. ¶ 17. In addition to the critically needed upgrades in connection with the City's public safety functions as noted above, the City intends to enhance ITS at the City-wide level, to allow for integration between finance and operational systems. Moore Dec. ¶ 17.

30. The City will prioritize the selection and implementation of a new enterprise resource planning system and will begin the process of issuing a "request for proposals" and selecting a new system in 2014 and anticipates significant implementation efforts to occur that same year. Moore Dec. ¶ 18.

Improved financial and operational reporting will permit the City both to monitor and improve its operating performance and also to improve its revenue and collection efforts. Moore Dec. ¶ 18.

(iii) Blight

31. The City has physically deteriorated to a shadow of its former self and is heavily blighted, with tens of thousands of vacant lots and abandoned, dilapidated structures. Moore Dec. ¶ 19. Of the approximately 78,000 structures in the City, approximately 38,000 are considered dangerous buildings, and that number rises every day. Moore Dec. ¶ 19. The density of blight within the City not only creates sprawling waste lands that are completely devoid of any realizable economic value, but also creates significant public safety and environmental hazards and serves as a haven for criminal activity. Moore Dec. ¶ 19.

32. The City intends to take several steps to address the large numbers of abandoned and blighted structures currently within its borders in order to stabilize and revitalize its neighborhoods and communities. Moore Dec. ¶ 20. In partnership with various public and private initiatives, including the State of Michigan, the City has renewed its efforts to implement efficient and safe demolition and clearing activities, and, ultimately, to return properties to the private tax base in order to create value going forward. Moore Dec. ¶ 20. While the City continues to investigate and determine the most effective way to

accomplish blight removal, including which geographic areas to focus its efforts on and other factors, the proceeds of the Quality of Life Financing will permit the City to directly fund demolition and other activities. Moore Dec. ¶ 20. In addition, the City intends to support the construction of recycling centers for local demolition materials. Moore Dec. ¶ 20.

(iv) Finance

33. The City's Finance Department is already engaged in a significant overhaul of several of the City's revenue generating and other operating units and processes. Moore Dec. ¶ 21. For instance, the City has launched a Property Tax Transformation Project in an effort to turn around the Assessment Division and significantly improve the City's ability to accurately value properties and collect tax revenue. Moore Dec. ¶ 21. Equally important, Finance will oversee the implementation of software solutions for income tax processing and enterprise resource planning, which initiatives will help drive revenue growth on a City-wide basis. Moore Dec. ¶ 21.

34. Addressing the forgoing initiatives, along with others that have been identified by the Emergency Manager, is a critical first step in rebuilding the City. The Quality of Life Financing, together with existing funds of the City, will kick-start that process, and enable the City to begin the long road back to viability and prosperity.

The Postpetition Loan Proposal Solicitation Process

35. The process for choosing the Postpetition Financing from the Purchaser was robust and subject to significant market testing. Advisors for the City formally approached over 50 potential financing sources with experience in municipal or special credit situations, which included approximately 13 traditional lending institutions and 37 alternative financing sources. Doak Dec. ¶ 5. Advisors for the City sent formal requests for lending proposals to approximately 40 of those potential lenders. Doak Dec. ¶ 5. The City received indicative term sheets from prospective lenders on September 16, 2013 (the “Proposal Deadline”). Doak Dec. ¶ 5. Up through the Proposal Deadline, advisors for the City held numerous informational calls with potential lenders to discuss a myriad of issues related to the financing, including potential uses of capital, collateral to secure the financing, the structure of the proposed financing and many other relevant legal and structural issues. Doak Dec. ¶ 5.

36. On or around the Proposal Deadline, the City received 16 lending proposals (the “Lending Proposals”). Doak Dec. ¶ 6. The City’s advisors began an immediate review of each of the Lending Proposals and instituted a dialogue with those potential lenders that the City deemed to be most credible based on the pricing and structure of their Lending Proposals. Doak Dec. ¶ 6. By September 23, 2013, significant dialogue continued with four prospective lenders

(the “Final Prospective Lenders”) regarding a variety of terms, structures and pricing. Doak Dec. ¶ 6.

37. It was the City’s belief, based on extensive analysis and discussions with its advisors, that the Lending Proposals from the Final Prospective Lenders offered the best potential structures, based on pricing and certainty of closing. Doak Dec. ¶ 7. Of particular concern to the City, aside from the aggregate annual financing costs, was the timing under which a financing could be closed given the need to issue an Optional Termination Notice in the near-term. Doak Dec. ¶ 7. Thus, the City gave significant weight to whether prospective lenders would be underwriting the entire financing or whether a lender’s commitment would require participations or syndication prior to closing. Doak Dec. ¶ 7.

38. To continue the process, and as part of the next phase of securing financing for the City, the City’s advisors requested that the Final Prospective Lenders submit comprehensive financing term sheets and proposed commitment letters by September 30, 2013, with a goal of having a signed commitment soon thereafter. Doak Dec. ¶ 8. The City’s advisors worked closely with the Final Prospective Lenders and their advisors during the intervening time to resolve numerous legal and financial diligence questions as well as to discuss financing structures and closing timeframes. Doak Dec. ¶ 8.

39. Based on the proposed terms and conditions of the final proposals, the City and its advisors determined that the Purchaser's proposed financing terms were superior to the others in terms of overall pricing, certainty of closing and other structural aspects. Doak Dec. ¶ 9. Nevertheless, for the intervening week, the City's advisors engaged with certain of the Final Prospective Lenders in an effort to improve the terms of their financing proposals to maximize value for the City. Doak Dec. ¶ 9. Despite those efforts, the Purchaser's proposal remained the best available, prompting the Emergency Manager to execute the Commitment Letter with the Purchaser and pay 50% of the commitment fees owing under the terms thereof. Doak Dec. ¶ 9.

40. The City, the Purchaser and their respective advisors engaged in extensive negotiations resulting in the Financing Documents before the Court. The Financing Documents were negotiated in good faith, without fraud or collusion and at arms' length between the parties.

City Council and Emergency Loan Board Approval

41. Pursuant to Section 12(u) of P.A. 436, the Emergency Manager may, subject to Section 19 of P.A. 436, "authorize the borrowing of money by" the City. Section 19(1) of P.A. 436 provides that an emergency manager shall, prior to executing any action to borrow, submit his or her proposed action to the governing body of the local government for approval. Section 19(1) of P.A. 436 further

provides the local governing body with 10 days from the date of submission to approve or disapprove the action proposed by the emergency manager.

42. If the governing body of the local government disapproves the proposed action within 10 days, Section 19(2) of P.A. 436 requires the governing body of the local government, within 7 days of its disapproval, to submit to the local emergency financial assistance loan board (the “Emergency Loan Board”) an alternative proposal that “would yield substantially the same financial result as the action proposed by the emergency manager.” The Emergency Loan Board then has 30 days to review both the alternative proposal submitted by the governing body of the local government, as well as the proposal submitted by the emergency manager and approve the proposal that “best serves the interest of the public.” Aside and apart from the approvals required under P.A. 436, the Emergency Loan Board also must review and approve the issuance of “Financial Recovery Bonds” under section 36a of the Home Rule City Act.

43. On October 11, 2013, the Emergency Manager issued Order No. 17 (the “EM Order”), attached hereto as Exhibit 7, generally approving the Postpetition Financing, and authorizing and directing, among other things, the City and its advisors to document, negotiate and ultimately execute the Financing Documents. The material terms of the Postpetition Financing were attached to the EM Order as an exhibit. The EM Order served as the submission to City Council

of the proposed Postpetition Financing and directed City Council to either approve, or disapprove the Postpetition Financing within 10 days of such submission, based on the terms attached to the EM Order. The material terms of the Postpetition Financing, along with the Emergency Order, were also hand-delivered to City Council on October 11, 2013.

44. Following submission of the material terms of the Postpetition Financing to City Council, advisors for the City participated in two lengthy meetings (one by telephone and the other in person) with representatives for City Council, as well as City Council itself, during which the City's advisors answered numerous inquiries related to the details of the Postpetition Financing and related strategy. The City's advisors also provided responses to more than twenty follow-up questions from City Council regarding the Postpetition Financing.

45. Nevertheless, City Council disapproved the Financing Proposal. In disapproving the Postpetition Financing, City Council failed to offer an alternative financing proposal in the time frame required by section 19(2) of P.A. 436, but instead submitted a resolution passed on October 25, 2013 to this Court urging that the Postpetition Financing be denied.⁴ The City respectfully disagrees with the position of City Council with respect to the Postpetition Financing. Contemporaneously with the filing of this Motion, the City is submitting the

⁴ Docket No. 1396.

Postpetition Financing to the Emergency Loan Board for approval, including the pledges of Collateral set forth in the Financing Documents, pursuant to section 36a of the Home Rule City Act. If approved by the Emergency Loan Board, the City respectfully submits that no other or further consents are required under applicable Michigan law, and prior to closing, the Postpetition Financing will be fully authorized in that regard.

Summary of the Material Terms of the Financing

46. The material terms of the Swap Termination Bonds and the Quality of Life Bonds are substantially the same, except for differences in the Collateral securing each series of Bonds, respectively. Thus, for purposes of the summary below, all material terms summarized are the same for each series of Bonds, unless specifically noted otherwise.

47. In compliance with Local Rule 4001-2(b), this Motion has been filed with a “Cover Sheet for Motion to use Cash Collateral or Obtain Financing,” based on the form cover sheet located on this Court’s website. Additionally, in compliance with Bankruptcy Rule 4001(c)(1)(B) and Local Rule 4001(a), the material terms of the Postpetition Financing are summarized as follows:⁵

Notwithstanding the foregoing, partial redemptions funded by Asset Proceeds Collateral (as defined below) not required to be used to redeem the Bonds may occur without premium or penalty at any time upon 10 business days' prior written notice.

See Purchase Agreements § 1(c); Indenture § 309.

Principal outstanding in respect of the Bonds will be due and payable in full upon the Maturity Date.

See Purchase Agreements § 1(d); Indenture § 309.

Quality of Life
Bonds Collateral:

The obligations owing by the City under the Post-Petition Facility with respect to the Quality of Life Bonds shall, pursuant to section 364(c) of the Bankruptcy Code, be secured by (i) a first priority lien on (a) taxes owing to the City in respect of the gross receipts earned by each of the City's casinos (the "Pledged Wagering Tax Revenue") and (b) the Asset Proceeds Collateral and (ii) a second priority lien (second only to the liens securing the Swap Termination Bonds) on the income tax revenues of the City (the "Pledged Income Tax Revenue", and together with the Pledged Wagering Tax Revenue and the Asset Proceeds Collateral, the "Quality of Life Bonds Collateral"). The lien on (i) the Asset Proceeds Collateral shall also secure the Swap Termination Bonds on a pari passu basis and (ii) the Pledged Income Tax Revenue shall secure the Swap Termination Bonds on a first-priority basis.

The Financing Documents will require that Pledged Wagering Tax Revenue be deposited into one or more bank accounts (such bank accounts, the "Wagering Tax Revenue Accounts"), which bank accounts shall be subject to control agreements in favor of the Purchaser, provided, however, that the Financing Documents shall limit the amount of Pledged Wagering Tax Revenue required to be applied to the outstanding amounts owing with respect to the Quality of Life Bonds during the continuation of an Event of Default to \$4 million per month. The City shall be authorized to use all other Pledged Wagering Tax Revenue for any purpose permitted by law, without limitation, during the continuation of an Event of Default.

The Financing Documents will require that the Pledged Income Tax Revenue be deposited into one or more bank accounts (such bank accounts, the "Income Tax Revenue Accounts"), which bank accounts shall be subject to

control agreements in favor of the Purchaser, provided, however, that the Financing Documents shall limit the amount of Pledged Income Tax Revenue required to be applied to the outstanding amounts owing with respect to the Swap Termination Bonds during the continuation of an Event of Default to \$4 million per month, all of which shall be applied to redeem the Swap Termination Bonds until such Bonds are paid in full and thereafter, such amounts (in addition to \$4 million per month of Pledged Wagering Tax Revenue) shall be applied to redeem the Quality of Life Bonds. The City shall be authorized to use all other Pledged Income Tax Revenue to fund the operations of the City, without limitation, during the continuation of an Event of Default.

See Purchase Agreements §§ 1(f)-(j); Indenture §§ 401-402; 902.

Swap Termination Bonds Collateral The obligations owing by the City under the Post-Petition Facility with respect to the Swap Termination Bonds shall, pursuant to section 364(c) of the Bankruptcy Code, be secured by a first priority lien on: (i) the Asset Proceeds Collateral and (ii) income tax revenues of the City (the “Pledged Income Tax Revenue” and together with the Asset Proceeds Collateral, the “Swap Termination Bonds Collateral” and together with the Quality of Life Bonds Collateral, collectively, the “Collateral”). The lien on the Asset Proceeds Collateral shall also secure the Quality of Life Bonds on a pari passu basis. The Quality of Life Bonds shall be secured by a second lien on the Pledged Income Tax Revenue.

The Financing Documents will require that the Pledged Income Tax Revenue be deposited into one or more bank accounts (such bank accounts, the “Income Tax Revenue Accounts”), which bank accounts shall be subject to control agreements in favor of the Purchaser, provided, however, that the Financing Documents shall limit the amount of Pledged Income Tax Revenue required to be applied to the outstanding amounts owing with respect to

the Swap Termination Bonds during the continuation of an Event of Default to \$4 million per month. The City shall be authorized to use all other Pledged Income Tax Revenue to fund the operations of the City, without limitation, during the continuation of an Event of Default.

See Purchase Agreements §§ 1(f)-(j); Indenture §§ 401-402; 902.

The Post-Petition Financing Order shall provide, among other things, that it constitutes sufficient and conclusive evidence of the validity, perfection, priority and enforceability of the liens on the Collateral granted thereunder, with the priority described therein, without the necessity of filing or recording any statement, mortgage, notice or other instrument or document which may otherwise be required under state or other non-bankruptcy law.

See Proposed Order ¶ 14.

Super-Priority of Bonds: Pursuant to Bankruptcy Code sections 364(c), 503 and 507(a)(2), the Bonds shall have priority over all administrative expenses, over all other postpetition claims and over all prepetition unsecured claims.

See Proposed Order ¶ 9.

Events of Default:

- nonpayment of principal, interest or other amounts;
- non-performance of covenants and obligations;
- incorrectness of representations and warranties in any material respect;
- cross default in respect of a payment of post-petition debt exceeding \$25 million or cross acceleration in respect of post-petition debt in an outstanding aggregate principal amount exceeding \$25 million;
- material post-petition judgments involving liability in

an amount exceeding \$25 million;

- written assertion by an authorized officer of the City (or any person or entity acting on behalf of or having jurisdiction over the City) that any Financing Document or court order with respect thereto is invalid or otherwise not binding on the City;

- dismissal of the Bankruptcy Case;

- reversal or modification in a manner adverse to the Purchaser of the order for relief by entry of an order that is not stayed;

- the City's filing of, consent to or lack of timely opposition to a motion seeking dismissal of the Bankruptcy Case;

- granting of any super-priority claim (other than as permitted under the Financing Documents);

- entry of an order without the prior written consent of the Purchaser amending, supplementing or otherwise modifying the Post-Petition Financing Order in a manner adverse to the Purchaser, or reversal, vacation or stay of the effectiveness of the Post-Petition Financing Order;

- cessation of liens or super-priority claims granted in respect of the Bonds to be valid, perfected and enforceable in all respects with the priority described herein;

- failure of the Pledged Wagering Tax Revenue to maintain a minimum level of receipts of \$30 million for any rolling 3-month period and the Wagering Tax Revenue Accounts to maintain a minimum aggregate value of \$5 million at all times;

- failure of the Pledged Income Tax Revenue to maintain a minimum level of receipts of \$30 million for any rolling 3-month period and the Income Tax Revenue Accounts to maintain a minimum aggregate value of \$5 million at all times; and

- the city ceases to be under the control of an emergency manager for a period of thirty (30) days unless a

Transition Advisory Board or consent agreement reasonably determined by the Purchaser to ensure continued financial responsibility shall have been established.

See Indenture § 901.

Remedies:

Upon any Event of Default, the Purchaser may declare the principal of the Bonds to be immediately due, and following certain Events of Default, the Bonds may be payable from proceeds of the Quality of Life Bonds held by the indenture trustee under the Indenture.

Payment of accelerated principal with respect to the Swap Termination Bonds shall be made by the City on a monthly basis on a level debt basis equivalent to \$4 million per month from the Pledged Income Tax Revenue, plus the pro-rata proceeds of any Asset Proceeds Collateral

Payment of accelerated principal with respect to the Quality of Life Bonds shall be made by the City on a monthly basis on a level debt basis equivalent to (i) \$4 million per month from the Pledged Wagering Tax Revenue, and (ii) following payment in full of the Swap Termination Bonds, \$4 million per month from the Pledged Income Tax Revenue, plus the *pro rata* proceeds of any Asset Proceeds Collateral.

See Indenture § 902.

Prohibition of
Additional
Borrowings:

The City will covenant that it will not obtain or seek to obtain any additional financing, including without limitation, any additional swap transaction, that (a) would have a senior payment priority to the Post-Petition Facility or (b) is secured by a lien on any of the collateral securing the Post-Petition Facility. The Post-Petition Financing Order shall provide, among other things, that no Asset Proceeds Collateral shall be used for any purpose other than the payment of amounts outstanding

in respect of the Quality of Life Bonds or the Swap Termination Bonds.

See Indenture § 707.

Representations,
Warranties and
Covenants:

The Financing Documents in respect of the Bonds contain representations, warranties, affirmative and negative covenants, waiver of sovereign immunity, waiver of jury trial and other terms and conditions, which are usual and customary for transactions of this kind.

See Purchase Agreements § 6.

Restrictions on
Dismissal of
Bankruptcy Case:

The Post-Petition Financing Order will require payment of all amounts outstanding under the Post-Petition Facility prior to any dismissal of the Bankruptcy Case and notwithstanding any order providing for dismissal, unless otherwise agreed to by the Purchaser, and that the Bankruptcy Court or the United States District Court for the Eastern District of Michigan shall retain jurisdiction to enforce the Post-Petition Financing Order. The City will covenant that it will not seek to invalidate or refute the enforceability of any Financing Document or the Post-Petition Financing Order, notwithstanding the dismissal or an order providing for dismissal of the Bankruptcy Case.

See Proposed Order ¶ 19.

City Consent to
Jurisdiction:

The City shall consent pursuant to Bankruptcy Code section 904 to the jurisdiction of the Bankruptcy Court to enter the Post-Petition Financing Order and to enforce the City's obligations thereunder.

See Indenture § 1108.

Yield Protection,
Taxes and Other
Deductions:

The Financing Documents contain customary provisions for lending transactions, including, without limitation, in respect of breakage and redeployment costs, increased costs, funding losses, capital adequacy, illegality and

requirements of law and requirements of Basel III and the Dodd-Frank Wall Street Reform and Consumer Protection Act. All payments shall be free and clear of any present or future taxes, withholdings or other deductions whatsoever (other than customary exceptions to be agreed).

See Purchase Agreements § 1(c).

Expenses: Purchaser shall be under no obligation to pay, and the City shall pay, all expenses incident to the performance of the obligations of the City, including, but not limited to: (A) the fees and disbursements of any consultants, advisors or counsel retained by the City; and (B) the cost of printing and preparing the Bonds. The City shall also pay (i) the remaining portion of the Commitment Fee and (ii) all other amounts payable by the City pursuant to this Bond Purchase Agreements.

See Purchase Agreements § 9.

Indemnification: To the extent permitted by law, the City shall indemnify the Purchaser, and their respective affiliates, partners, directors, officers, agents and advisors and hold them harmless from and against all liabilities, damages, claims, costs, expenses (including reasonable fees, disbursements, settlement costs and other charges of counsel) arising out of, or in connection with, the Post-Petition Facility or the Bankruptcy Case (to the extent related to the Transactions) and the City's use of the proceeds of the Bonds or the commitments whether or not the City is a party to any such claim and regardless of whether such claim is brought by the City; provided that such indemnity shall not, as to any indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such indemnitee. This indemnification shall survive and continue for the benefit

of all such persons or entities and shall be entitled to superpriority administrative expense status.

See Purchase Agreements § 13.

Assignment and Participation:

The Purchaser may assign all or a portion of the Bonds to a group of banks, financial institutions and other institutional lenders identified by the Purchaser in consultation with and with the consent of the City, such consent not to be unreasonably withheld, delayed or conditioned (it being agreed that the City's consent shall be deemed to have been given if the City has not responded within five (5) business days of an assignment request). In addition, the Purchaser shall be entitled to sell participations in the Bonds without the consent of the City.

See Purchase Agreements § 18.

Governing Law:

Michigan.

Jurisdiction and Venue:

The Bankruptcy Court, unless the Bankruptcy Court does not have jurisdiction, in which case, the parties shall consent to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City and of the courts of the State of Michigan and the United States District Court for the Eastern District of Michigan.

See Indenture § 1108.

Waiver of 506(c) Rights

Upon entry of the Post-Petition Financing Order, no claims, costs or expenses incurred in the Bankruptcy Case or by the City at any time shall be charged against the Purchaser, the indenture trustee under the Indenture, the bondholders or any of their respective claims or against the Collateral pursuant to Section 105 or 506(c) of the Bankruptcy Code, or otherwise, without prior written consent of the indenture trustee under the

Indenture.

See Proposed Order ¶¶ 8, 28.

48. Pursuant to Local Rule 4001(a), the net Pledged Wagering Tax Revenue was approximately \$178,845,132 in the fiscal year 2013, and the Pledged Income Tax Revenue was approximately net \$232,412,196 in the fiscal year 2013. The City believes these sums are a good faith estimate of the value of the Collateral pledged in connection with the Postpetition Financing.

Basis for Relief

49. Pursuant to Bankruptcy Code section 901(a), sections 362, 364(c), 364(d), 364(e), 503 and 507(a)(2), among others, are applicable in cases proceeding under chapter 9 of the Bankruptcy Code.

50. Bankruptcy Code section 364(c), as made applicable to this case by section 901, provides that:

If the [debtor] is unable to obtain unsecured credit allowable under Section 503(b)(1) of [the Bankruptcy Code], the court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt —

- (1) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of this title;
- (2) secured by a lien on property of the estate that is not otherwise subject to a lien; or
- (3) secured by a junior lien on property of the estate that is subject to a lien.

11 U.S.C. §364(c).

51. The statutory requirement for obtaining postpetition financing under section 364(c) of the Bankruptcy Code is a finding, made after notice and a hearing, that the debtor is “unable to obtain unsecured credit allowable under §503(b)(1) [of the Bankruptcy Code] as an administrative expense.” See In re Ames Dep’t Stores, Inc., 115 B.R. 34, 37-39 (Bankr. S.D.N.Y. 1990) (holding that a debtor seeking secured credit under section 364(c) of the Bankruptcy Code must establish that it was unable to obtain unsecured credit under sections 364(a) or (b) of the Bankruptcy Code); In re Crouse Group, Inc., 71 B.R. 544, 549 (Bankr. E.D. Pa. 1987) (finding that debtor seeking secured credit under section 364(c) of the Bankruptcy Code must prove that it was unable to obtain unsecured credit under section 364(b) of the Bankruptcy Code).

52. To show that postpetition financing is not obtainable on an unsecured basis, a debtor need only demonstrate “by a good faith effort that credit was not available without” the protections of section 364(c) of the Bankruptcy Code. Bray v. Shenandoah Fed. Sav. And Loan Ass’n (In re Snowshoe Co.), 789 F.2d 1085, 1088 (4th Cir. 1986). Thus, “[t]he statute imposes no duty to seek credit from every possible lender before concluding that such credit is unavailable.” Id. at 1088. Moreover, where few lenders are likely to be able and willing to extend necessary credit to the debtor, “it would be unrealistic and

unnecessary to require [the debtor] to conduct an exhaustive search for financing.”
In re Sky Valley, Inc., 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988).

53. The process for choosing the Purchaser was robust and entailed the solicitation of more than 50 prospective lenders, which resulted in 16 indicative term sheets from potentially interested parties. Based on the discussions with these potential lenders and the eventual Purchaser, the City firmly believes that the market has been tested and that postpetition financing on an unsecured basis within the timeframe necessary, was not available. Doak Dec. ¶ 14. The Purchase Agreement has been negotiated at arm’s-length, and the City has determined, in the exercise of its business judgment, that it is the best financing proposal available under the circumstances.

54. Provided that its business judgment does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code, courts grant a debtor considerable deference in acting in accordance with its business judgment. See, e.g., Ames Dept. Stores, Inc., 115 B.R. at 40 (finding that courts have discretion under section 364 of the Bankruptcy Code to permit debtors to exercise reasonable business judgment so long as (i) the terms of the financing agreement do not leverage the bankruptcy process and powers and (ii) the financing agreement’s purpose is primarily to benefit the estate and not a party in interest); In re Trans World Airlines, Inc., 163 B.R. 964, 974 (Bankr. D. Del. 1994) (noting that interim

financing was approved because it “[r]eflected sound and prudent business judgment on the part of TWA ... [and was] reasonable under the circumstances and in the best interest of TWA and its creditors.”).

55. As noted, proceeds of the Swap Termination Bonds will be used to fund the early termination of the Swap Agreements pursuant to the Forbearance Agreement. If the Postpetition Financing is approved, the City believes it will be in a position to close on the financing shortly thereafter and to issue an Optional Termination Notice in advance of the January 7, 2014 expiration of the Purchaser’s commitment in order to take advantage of the discount on the Optional Termination Amounts under the Forbearance Agreement, if approved. Based on the estimated current present value of the obligations owing under the Swap Agreements, the City believes that terminating the Swap Agreements result in a savings of approximately \$50 million to the City. This fact alone supports a finding that the Postpetition Financing is in the best interests of the City, its creditors, citizens and all other parties in interest.

56. Additionally, the annual debt service obligations of the City with respect to the Postpetition Financing is substantially lower than those under the Swap Agreements — the annual debt service obligations with respect to the Swap Agreements is approximately \$50 million, compared with approximately \$12 million of annual debt service obligations under the Postpetition Financing. Thus,

it can hardly be disputed that obtaining the Postpetition Financing and exercising the Termination Rights under the Forbearance Agreement as early as possible makes sound business judgment.

57. The Quality of Life Financing is also necessary for the City's restructuring, as the proceeds will be used to fund key reinvestment initiatives critical to the City's future. As described in detail above, as well as in the Moore Declaration, reinvesting in the infrastructure of the City is critical to beginning the long process of restoring the basic building blocks of the City that have steadily eroded over the last half century. Based on the foregoing, the City respectfully submits that the Postpetition Financing is more than justified by sound business judgment.

58. Bankruptcy Code section 362 provides for an automatic stay upon the filing of a bankruptcy petition. The Financing Documents contemplate the modification of the automatic stay (to the extent applicable), to the extent necessary to permit the Purchaser to implement the terms of the Proposed Order. Stay modification provisions of this type are standard features of postpetition financing facilities, and, in the Debtor's business judgment, are reasonable under the present circumstances, particularly given the Purchaser's limited recourse against the City's assets under the Financing Documents. Accordingly, the Debtor respectfully requests that the Court authorize the modification of the stay in

accordance with the terms set forth in the Proposed Order and the Financing Documents.

59. Courts in this District have granted, generally, the relief sought herein in other cases. See, e.g., *In re Groeb Farms, Inc.*, Case No. 13-58200 (WS) (Bankr. E.D. Mich. Oct. 3, 2013) (interim order authorizing the debtor to obtain postpetition financing pending scheduling of final hearing); *In re Richfield Equities, L.L.C.*, Case No. 12-33788 (DSO) (Bankr. E.D. Mich. Oct. 11, 2012) (final order authorizing postpetition financing); *In re Noble Int'l, Ltd.*, Case No. 09-51720 (MBM) (Bankr. E.D. Mich. May 12, 2009) (same); *In re Contech U.S., L.L.C.*, Case No. 09-42392 (SWR) (Bankr. E.D. Mich. April 13, 2009) (same); *In re Pontiac Gen. Hosp. and Med. Ctr., Inc. d/b/a North Oakland Med. Ctr.*, Case No. 08-60731 (MBM) (Bankr. E.D. Mich. Sept. 23, 2008) (same); *In re Greektown Holdings, L.L.C.*, Case No. 08-51304 (WS) (Bankr. E.D. Mich. June 26, 2008) (same); *In re Collins & Aikman Corp.*, Case No. 05-55927 (SWR) (Bankr. E.D. Mich. Aug. 11, 2005) (same).

Notice

60. Notice of this Motion has been given to the following (or their counsel, if known): (a) the trustees, transfer agents and/or paying agents, as applicable, for the City's secured and unsecured bonds; (b) the City's largest unsecured creditors as identified on the list filed under Bankruptcy Rule 1007(d);

(c) the Official Committee of Retirees appointed in this case; (d) the unions representing certain of the City's employees and retirees; (e) the four associations of which the City is aware representing certain retirees of the City; (f) the City's pension trusts; (g) the insurers of the City's bonds; (h) the insurers of the certificates of participation issued with respect to the City's pension funds (the "COPs"); (i) certain significant holders of the COPs; (j) the counterparties under the swap contracts entered into in connection with the COPs (collectively, the "Swaps"); (k) the insurers of the Swaps; (l) Barclays Capital Inc., as Purchaser, (m) Cravath, Swaine & Moore LLP, as counsel to the Purchaser; (n) Dykema, Gossett PLLC, as counsel to the Purchaser; (o) the other parties that submitted Lending Proposals; (p) counsel to the Greektown Casino-Hotel, (q) counsel to Motor City Casino Hotel, (r) counsel to MGM Grand Detroit and (s) all entities that have requested notice pursuant to Bankruptcy Rule 2002. The City submits that no other or further notice need be provided.

Statement of Concurrence

61. Local Rule 9014-1(g) provides that "in a bankruptcy case unless it is unduly burdensome, the motion shall affirmatively state that concurrence of opposing counsel in the relief sought has been requested on a specified date and that the concurrence was denied." Local Rule 9014-1(g). Given the number of parties and potential parties involved in this case and the lack of known opposing

parties who would be adversely impacted by the relief requested herein, it would be impracticable (and, with regard to unknown parties, impossible) for the City to affirmatively seek the concurrence of each opposing counsel interested in the relief sought herein. Accordingly, the City submits that imposing the requirements of Local Rule 9014-1(g) in this matter would be "unduly burdensome" and requests that its requirements be waived.

No Prior Request

62. No prior request for the relief sought in this Motion has been made to this or any other Court.

WHEREFORE, the City respectfully requests that this Court: (a) enter an order, substantially in the form attached hereto as Exhibit 1, granting the relief sought herein; and (b) grant such other and further relief to the City as the Court may deem proper.

Dated: November 5, 2013

Respectfully submitted,

In re:	§ Chapter 9
	§
CITY OF DETROIT, MICHIGAN,	§ Hon. Steven W. Rhodes
	§
Debtor.	§ Case No.: 13-53846

ORDER PURSUANT TO 11 U.S.C. §§ 105, 362, 364(c)(1), 364(c)(2), 364(e), 364(f), 503, 507(a)(2), 904, 921 AND 922 (I) APPROVING POST-PETITION FINANCING, (II) GRANTING LIENS AND PROVIDING SUPERPRIORITY CLAIM STATUS AND (III) MODIFYING AUTOMATIC STAY

THIS MATTER having come before the Court upon the motion (the “Motion”) by the City of Detroit, Michigan (the “City”), which is a debtor in the above-captioned chapter 9 case (the “Case”), pursuant to Sections 105, 362, 364(c)(1), 364(c)(2), 364(e), 364(f), 503, 507(a)(2), 904, 921 and 922 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (as amended, the “Bankruptcy Code”) and Rules 2002, 4001 and 9014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Rule 4001-2 of the Local Rules for the United States Bankruptcy Court for the Eastern District of Michigan (the “Local Rules”) seeking entry of an order (this “Order”) *inter alia*:¹

(i) authorizing the City to obtain senior secured post-petition financing on a superpriority basis in the form of the Quality of Life Bond and the Swap Termination Bond in an aggregate principal amount of up to \$350,000,000 (collectively, the “Post-Petition Facility”)

¹ Capitalized terms used but not defined herein shall have the meanings given to them in each of the Bond Purchase Agreements (as defined below) and the Indenture (as defined below), as applicable. Uncapitalized terms used in this Order that are defined in Section 101 or 102 of the Bankruptcy Code have the meanings assigned to them by the Bankruptcy Code.

pursuant to the terms and conditions of the Bond Purchase Agreements substantially in the forms attached hereto as Exhibit A and Exhibit B (collectively, the “Bond Purchase Agreements”), by and between the City and Barclays Capital Inc., as Purchaser (the “Purchaser”), and the Indenture substantially in the form attached hereto as Exhibit C (the “Indenture”), by and between the City and the Indenture Trustee, on behalf of itself, the Purchaser and those other entities to whom the Purchaser either assigns or sells participations in the Bonds from time to time (collectively, the “Bondholders”).

(ii) authorizing the City to enter into and perform under the Bond Purchase Agreements and all other related bond documents, including the Indenture, the Bonds, the Wagering Tax Control Agreements and the Income Tax Control Agreements, the Orders Authorizing the Issuance and Sale of the Bonds, the Local Emergency Financial Assistance Loan Board Order and the documents relating to the Pledged Wagering Tax and Pledged Income Tax (each as may be amended, supplemented, restated, or otherwise modified from time to time, collectively, and together with the Bond Purchase Agreements, the Commitment Letter and the Fee Letter, the “Bond Documents”), entered into by and among, variously, the City, the Purchaser, the Indenture Trustee, and other third parties, and to perform such other acts as may be necessary or desirable in connection with the Bond Documents;

(iii) granting the Post-Petition Facility and all obligations owing thereunder and under the Bond Documents (collectively, and including all obligations under or with respect to the Bond Documents, the “Bond Obligations”) allowed superpriority claim status under Section 364(c)(1) of the Bankruptcy Code;

(iv) granting to the Purchaser, the Indenture Trustee and the Bondholders automatically attached and perfected security interests in and Liens (as defined below) on the Quality of Life

Bond Collateral (as defined below) and the Swap Termination Bond Collateral (as defined below) as applicable, which Liens shall be subject to the priorities set forth in paragraphs 6 and 7 of this Order and in the Bond Documents;

(v) authorizing the City to pay the principal, interest, fees, expenses and other amounts payable under the Bond Documents and the Fee Letter dated as of October 6, 2013 (the “Fee Letter”), between Barclays Capital Inc. and the City, including (and to the extent applicable), Purchaser’s and Indenture Trustee’s fees, the reasonable fees and disbursements of the Purchaser’s and Indenture Trustee’s attorneys, advisers, accountants, and other consultants, all to the extent provided in and in accordance with the terms of the Bond Documents (as applicable);

(vi) vacating and modifying the automatic stay imposed by Sections 362 and 922 of the Bankruptcy Code to the extent necessary to implement and effectuate the terms and provisions of the Bond Documents and this Order, as limited pursuant hereto; and

(vii) authorizing the limitation of the City’s right to assert claims to surcharge against the Collateral pursuant to section 506(c) of the Bankruptcy Code to the extent set forth in paragraph 28 below;

The Court having considered the Motion, the Bond Documents attached to the Motion (the “Filed Bond Documents”), the Declarations of James Doak and Charles M. Moore in Support of the Motion, the exhibits attached thereto and hereto, and the evidence and arguments submitted at the hearing on the Motion held on [●], 2013 (the “Hearing”); and notice of the Hearing having been given in accordance with Bankruptcy Rules 4001 and 9014 and no further notice being required; and the Hearing to consider the relief requested in the Motion having been held and concluded and all objections, if any, thereto having been withdrawn, resolved or overruled by the Court; and it appearing to the Court that granting the relief requested is fair and reasonable and in

the best interests of the City, its creditors and all parties in interest; and it further appearing that the City is unable to obtain unsecured credit for money borrowed allowable as an administrative expense under Bankruptcy Code Section 503(b)(1); and after due deliberation and consideration, and for good and sufficient cause appearing therefor:

BASED UPON THE RECORD ESTABLISHED AT THE HEARING ON THE MOTION AND ALL PLEADINGS AND DOCUMENTS FILED HEREIN, THE COURT HEREBY MAKES THE FOLLOWING FINDINGS OF FACT AND CONCLUSIONS OF LAW:

A. Petition Date. On July 18, 2013 (the “Petition Date”), the City filed a voluntary petition for relief under chapter 9 of the Bankruptcy Code in the United States Bankruptcy Court for the Eastern District of Michigan (the “Court”) commencing this Case. The order for relief in this case was entered on [], 2013.

B. Jurisdiction and Venue. This Court has jurisdiction pursuant to 28 U.S.C. § 1334 and authority under 28 U.S.C. § 157 and the General Order of Reference to Bankruptcy Judges over these proceedings and over the persons and property affected hereby. Consideration of the Motion constitutes a core proceeding under 28 U.S.C. § 157(b)(2). Venue for the Case and proceedings on the Motion is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409.

C. City’s Stipulations. The City stipulates and acknowledges that: (a) except as granted pursuant to this Order and the Bond Documents, as of the date of entry of this Order, the Collateral (as defined below) is not subject to any pledge, lien or security interest other than the Liens and any liens that will be terminated as of the Closing Date as contemplated by the Bond Documents; (b) upon the entry of this Order, and giving effect to the Court’s authority in this bankruptcy case, the City has taken or caused to be taken all actions and received all consents necessary, including under applicable non-bankruptcy law, for the approval of the Post-Petition

Facility upon the terms and conditions set forth in the Bond Documents, including the pledge of the Collateral and the perfection of the security interests therein with the priorities set forth herein and in the Bond Documents, and no further action is required for such approval or will be required as of the closing date of the Post-Petition Facility and (c) the entry of this Order and the relief granted herein is at the request, and upon the consent, of the City.

D. *Findings Regarding the Postpetition Financing.*

(i) *Need for Postpetition Financing.* The City's obtaining credit pursuant to the Post-Petition Facility will enable the City to continue revitalization efforts, save tens of millions of dollars in annual debt service (in the form of scheduled swap payments) and provide for investment in the City's delivery of municipal services to its businesses and residents.

(ii) *No Credit Available on More Favorable Terms.* Given its current financial condition and financing arrangements, the City is unable to obtain adequate financing on terms more favorable than the Post-Petition Facility. The City has been unable to obtain unsecured credit allowable under Bankruptcy Code Section 503(b)(1) as an administrative expense. Adequate financing on a postpetition basis is not otherwise available without granting the Purchaser, the Indenture Trustee and the Bondholders (1) perfected Liens on (each as provided herein) the Collateral with the priorities set forth in paragraph 7 hereof and in the Bond Documents, (2) superpriority claims and Liens and (3) the other protections set forth in the Bond Documents and this Order.

(iii) *Use of Proceeds of the Post-Petition Facility.* As a condition to the entry into the Bond Documents and the extension of credit under the Post-Petition Facility, the Purchaser requires, and the City has agreed, that proceeds of the Post-Petition Facility shall be used, in each case in a manner consistent with the terms and conditions of the Bond Documents,

solely (a) with respect to the Quality of Life Bond, for purposes permitted by law, including to fund expenditures designed to contribute to the improvement of the quality of life in the City and (b) with respect to the Swap Termination Bond, to pay amounts required under the Forbearance and Optional Termination Agreement dated as of July 15, 2013, among the City, the Emergency Manager of the City, the Detroit General Retirement System Service Corporation, the Detroit Police and Fire Retirement System Service Corporation, on the one hand, and UBS AG and Merrill Lynch Capital Services, Inc., on the other (as amended from time to time, the “Forbearance Agreement”) to terminate the underlying swaps, and, in the case of each of clauses (a) and (b) above, to pay the fees and expenses of the Purchaser and the Indenture Trustee (to the extent applicable).

E. Section 506(c). Upon entry of this Order, the Purchaser, the Indenture Trustee and the Bondholders are each entitled to a waiver of the provisions of Section 506(c) of the Bankruptcy Code (which waiver shall be without prejudice to the contention of the Purchaser, the Indenture Trustee or the Bondholders that Section 506(c) of the Bankruptcy Code does not apply to secured claims incurred pursuant to Section 364 of the Bankruptcy Code).

F. Good Faith and Jurisdictional Matters.

(i) Willingness to Provide Financing. The Purchaser has indicated a willingness to provide financing to the City pursuant to the Bond Documents subject to: (a) the entry of this Order; (b) approval of the terms and conditions of the Post-Petition Facility and the Bond Documents; and (c) entry of findings by this Court that such financing is in the best interests of the City, that the Purchaser, the Indenture Trustee and the Bondholders are extending credit to the City pursuant to the Bond Documents in good faith, and that the Bond Obligation, Superpriority Claim, Liens and other protections granted to the Purchaser, the Indenture Trustee

and the Bondholders pursuant to this Order and the Bond Documents will have the protections provided in Sections 364(e) and 921(e) of the Bankruptcy Code and will not be affected by any reversal, modification, vacatur, amendment, reargument or reconsideration of this Order, any order finding jurisdiction, the order for relief or any other order.

(ii) *Prudent Judgment, Jurisdictional Matters and Good Faith Under Section 364(e).* The terms and conditions of the Post-Petition Facility and the Bond Documents and the fees to be paid thereunder are fair, reasonable, and the best available to the City under the circumstances, reflect the City's exercise of prudent judgment, are supported by reasonably equivalent value and fair consideration, are at the request, and with the consent, of the City and are within the jurisdiction and powers of the Court pursuant to Section 904 of the Bankruptcy Code. The Post-Petition Facility was selected by the City after review of multiple proposals received during a full and fair marketing process conducted by the City and its agents and advisors. The Post-Petition Facility and the Bond Documents were negotiated in good faith, without fraud or collusion and at arms' length among the parties. Credit extended under the Post-Petition Facility and the Bond Documents under Section 364(c) of the Bankruptcy Code is extended in good faith within the meaning of Section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by Section 364(e) of the Bankruptcy Code, for valid purposes and uses, and not in violation of the Bankruptcy Code. The Purchaser, the Indenture Trustee and the Bondholders therefore qualify for the full protection and benefits of Sections 364(e) and 921(e) of the Bankruptcy Code and this Order and shall not be affected by any reversal, modification, vacatur, amendment, reargument or reconsideration of this Order, any order finding jurisdiction, the order for relief or any other order.

G. Act 436 Approval Not Required. On October 21, 2013, in accordance with Section

19(1) of Act 436, Public Acts of Michigan, 2012, as amended, MCL 141.1541, et seq. (“Act 436”), the City Council of the City (the “City Council”) disapproved the Post-Petition Facility. The City Council failed to offer an alternative proposal during the time period prescribed in Section 19(2) of Act 436. The City has requested approval of the Post-Petition Facility by the Emergency Financial Assistance Loan Board (the “Board”) pursuant to Section 36a of the Michigan Home Rule City Act, Public Act 279 of 1909. Because the City Council failed to offer a timely alternative proposal, approval of the Post-Petition Facility by the Board under Act 436 is not required to authorize the City to enter into the Bond Documents, which are valid and enforceable according to their terms as a result of this Order and applicable non-bankruptcy law.

H. Notice. Notice of the Hearing and the relief requested in the Motion has been provided by overnight delivery and electronic mail or facsimile to: (a) the trustees, transfer agents and/or paying agents, as applicable, for the City’s secured and unsecured bonds; (b) the City’s largest unsecured creditors as identified on the list filed under Bankruptcy Rule 1007(d); (c) the Official Committee of Retirees appointed in this case; (d) the unions representing certain of the City’s employees and retirees; (e) the four associations of which the City is aware representing certain retirees of the City; (f) the City’s pension trusts; (g) the insurers of the City’s bonds; (h) the insurers of the certificates of participation issued with respect to the City’s pension funds (the “COPs”); (i) certain significant holders of the COPs; (j) the counterparties under the swap contracts entered into in connection with the COPs (collectively, the “Swaps”); (k) the insurers of the Swaps; (l) Barclays Capital Inc., as the Purchaser; (m) Cravath, Swaine & Moore LLP, as counsel to the Purchaser; (n) Dykema, Gossett PLLC, as counsel to the Purchaser; (o) the other parties that submitted Lending Proposals; (p) counsel to the Greektown Casino-Hotel, (q) counsel to Motor City Casino Hotel, (r) counsel to MGM Grand Detroit and (s) all entities that have

requested notice pursuant to Bankruptcy Rule 2002.

Based upon the foregoing findings and conclusions, the Motion and the record before the Court with respect to the Motion, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED that:

1. Motion Approved. The Motion is granted, the Financing (as defined below) is authorized and approved, to the extent and subject to the terms and conditions set forth in this Order.
2. Objections Overruled. All objections to the Financing to the extent not withdrawn or resolved are hereby overruled.

Post-Petition Facility Authorization

3. Authorization of the Financing and Bond Documents. The Filed Bond Documents are hereby approved. The City is immediately authorized and empowered to incur and to perform the Bond Obligations in accordance with, and subject to, the terms of this Order and the Bond Documents and to perform all acts, make, execute and deliver all instruments and documents which may be required for the performance by the City under the Bond Documents and the creation and perfection of the Liens described in and provided for by this Order and the Bond Documents. The Collateral and all proceeds thereof will be deposited and applied as required by this Order and the Bond Documents. Upon execution and delivery, the Bond Documents shall represent valid and binding obligations of the City, enforceable against the City in accordance with their terms.
4. Authorization to Borrow. Subject to the terms and conditions set forth in the Bond Documents and this Order, the City is hereby authorized to issue the Bonds for purchase by the Purchaser on the Closing Date and is hereby authorized to enter into the Bond Purchase Agreements and the Bond Documents and incur the Bond Obligations (collectively, the

“Financing”).

5. Bond Obligations. The Bond Documents and this Order shall evidence the validity and binding effect of the City’s Bond Obligations, which Bond Obligations shall be enforceable against the City. Upon entry of this Order, the Bond Obligations will include all indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by the City to the Purchaser, the Indenture Trustee or any of the Bondholders, under the respective Bond Documents or this Order, including all principal, accrued interest, costs, fees, expenses and other amounts under the respective Bond Documents. The Bond Obligations shall be due and payable, without notice or demand, in accordance with the terms of the Bond Documents. No obligation, payment, transfer or grant of security under the Bond Documents or this Order shall be stayed, restrained, voidable or recoverable under the Bankruptcy Code or under any applicable law (including Section 502(d) of the Bankruptcy Code) or be subject to any defense, reduction, setoff, recoupment or counterclaim.

6. Liens and Collateral. In order to secure the Bond Obligations, effective immediately upon entry of this Order and without the necessity of the execution, recordation of filings by the City of financing statements, notices of liens, control agreements or other security documents, or the possession or control by the Purchaser, the Indenture Trustee or the Bondholders over any Collateral, pursuant to Section 364(c)(2) of the Bankruptcy Code, the City is authorized to grant, and the Purchaser, the Indenture Trustee and the Bondholders are hereby granted, in accordance with the terms of the Indenture, continuing, valid, binding, enforceable, non-avoidable postpetition security interests and liens (the “Liens”) as follows:

(I) to secure the Quality of Life Bond, (a) a valid, binding, continuing, enforceable, fully-perfected first priority Lien on (i) taxes owing to the City in respect of the gross

receipts earned by each of the City's casinos (the "Pledged Wagering Tax Revenue") and (ii) all Asset Proceeds Collateral, as defined in the Bond Documents, on a *pari passu* basis with the holders of Swap Termination Bond, and (b) a valid, binding, continuing, enforceable, fully-perfected second priority Lien (second only to the Liens securing the Swap Termination Bond) on the income tax revenues of the City (the "Pledged Income Tax Revenue", and together with the Pledged Wagering Tax Revenue and the Asset Proceeds Collateral, each as described in this clause (I), the "Quality of Life Bond Collateral"); and (II) to secure the Swap Termination Bond, a valid, binding, continuing, enforceable, fully-perfected first priority Lien on (i) the Pledged Income Tax Revenue and (ii) the Asset Proceeds Collateral on a *pari passu* basis with the holders of Quality of Life Bond (the Pledged Income Tax Revenue and the Asset Proceeds Collateral, collectively, as described in this clause (II), the "Swap Termination Bond Collateral", and together with the Quality of Life Bond Collateral, the "Collateral").

7. Direction of Pledged Wagering Tax Revenue. Any entity that collects or holds Pledged Wagering Tax Revenue, shall deposit daily such Pledged Wagering Tax Revenue into the Pledged Wagering Tax Account held at the Wagering Tax Depository Bank pursuant to instructions by the City, and consistent with the terms of the Wagering Tax Account Control Agreement.

8. Lien Priority. The Liens shall be senior in priority and superior to any lien on or claim to any of the Collateral. Other than as set forth herein and in the Bond Documents, the Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Case or otherwise and shall be valid and enforceable against the City under Sections 921(e) and 364(e) of the Bankruptcy Code notwithstanding any reversal,

modification, vacatur, amendment, reargument or reconsideration of this Order, any order finding jurisdiction, the order for relief or any other order and notwithstanding the dismissal of the Case for any reason. The Liens shall not be subject to Section 506(c) or 510 of the Bankruptcy Code. No lien or interest avoided and preserved pursuant to Section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the Liens.

9. Superpriority Claims. Upon entry of this Order, the Purchaser, the Indenture Trustee and the Bondholders are granted, pursuant to Section 364(c)(1) of the Bankruptcy Code, an allowed superpriority claim (collectively, the “Superpriority Claim”) for all Bond Obligations (without the need to file any proof of claim), with priority over (i) any and all administrative expenses of the City at any time existing or arising, of any kind or nature whatsoever, including all administrative expenses arising under any section of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, (ii) all other post-petition claims against the City, and (iii) pre-petition unsecured claims against the City.

10. No Obligation to Extend Credit. The Purchaser shall have no obligation to purchase any bond, extend any credit or make any loan under the Bond Documents unless all of the conditions precedent to the purchase of such bond or extension of such credit under the Bond Documents and this Order have been satisfied in full or waived in accordance with the terms of the applicable Bond Documents.

11. Use of Post-Petition Facility Proceeds. From and after the Petition Date, the City shall use the Post-Petition Facility only for the purposes specifically set forth in this Order and the Bond Documents.

Provisions Common to Financings

12. Amendment of the Bond Documents. The City is authorized, without further

approval of this Court, to perform all acts and to make, execute and deliver all instruments and documents that may be reasonably required to effect one or more amendments, modifications or supplements to any of the Bond Documents as provided in the Fee Letter or that are solely ministerial amendments, modifications or supplements.

13. Modification of Automatic Stay. The automatic stay imposed under Bankruptcy Code Sections 362(a) and 922 is hereby modified as necessary to effectuate all of the terms and provisions of this Order, including to: (a) permit the City to grant the Liens and the Superpriority Claims; (b) permit the Purchaser, the Indenture Trustee and the Bondholders to request, and the City to perform, such acts as the Purchaser, the Indenture Trustee or the Bondholders, respectively, may request, each in its sole discretion to assure the perfection and priority of the Liens granted herein; (c) permit the City to incur all liabilities and obligations to the Purchaser, the Indenture Trustee and the Bondholders under the Bond Documents, the Post-Petition Facility and this Order; (d) authorize the City to pay, and the Purchaser to retain, all payments required to be made to the Purchaser, in accordance with the terms of the Bond Documents, the Post-Petition Facility and this Order; and (e) authorize the City to pay, and the Indenture Trustee to retain and apply, all payments required to be made to the Indenture Trustee, in accordance with the terms of the Bond Documents, the Post-Petition Facility and this Order.

14. Perfection of Liens. This Order shall be conclusive evidence of the validity, perfection and priority of the Liens without the necessity of filing or recording any financing statement, mortgage, notice or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including entering into any deposit account control agreement, mortgages or deeds of trust) to validate or perfect (in accordance with applicable non-bankruptcy law) the Liens or to entitle the Purchaser, the

Indenture Trustee and the Bondholders to the Liens and priorities granted herein. Notwithstanding the foregoing, the Purchaser, the Indenture Trustee and the Bondholders are authorized, but not required, to file and obtain, as each deems necessary in its sole discretion, such financing statements, notices of liens, control agreements and other security documents to perfect in accordance with applicable non-bankruptcy law, or take constructive control over assets, take any other action, in each case, to validate and perfect the Liens and all such financing statements, notices, control agreements and other security documents shall be deemed to have been filed or recorded as of the date of entry of this Order; provided, however, that no such filing or recordation shall be necessary or required in order to create or perfect the Liens. The City is authorized and directed to execute and deliver promptly upon demand to the Purchaser or the Indenture Trustee all such financing statements, notices, control agreements and other security documents as the Purchaser or the Indenture Trustee may request. The Purchaser or the Indenture Trustee, each in its discretion, may file a photocopy of this Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien or similar instrument, and all filing offices are hereby authorized to accept such photocopy for filing and recording. For the avoidance of doubt, the automatic stay of Section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to permit the Purchaser, the Indenture Trustee and the Bondholders to take all actions, as applicable, referenced in this paragraph.

15. Proceeds of Subsequent Financing. If the City obtains credit or incurs debt pursuant to Bankruptcy Code Section 364(c) or 364(d) or in violation of the Bond Documents at any time prior to the indefeasible repayment in full of all Bond Obligations and the satisfaction of the Superpriority Claims, including after the confirmation of any plan of adjustment filed in the

Case, and such facilities are secured by any Collateral, then, in addition to any remedies that may be available to the Purchaser, the Indenture Trustee and the Bondholders under the Bond Documents, all the cash proceeds derived from such credit or debt shall immediately be turned over to the Indenture Trustee, to be applied as set forth in the Bond Documents and this Order.

16. Maintenance of Collateral. Until the indefeasible payment in full of all Bond Obligations and the satisfaction of the Superpriority Claims, the City shall maintain: (a) the Collateral as required under the Bond Documents; and (b) the cash management system as required by the Bond Documents.

17. Disposition of Collateral.

(a) Except as otherwise provided for in the Bond Documents, the City shall not grant a lien on or transfer any interests in any portion of the Collateral in any way inconsistent with the Bond Documents or without the prior written consent of the Indenture Trustee.

(b) In the event of any sale, lease or other disposition of any Collateral (a “Collateral Disposition”), the City shall, to the extent required by the Bond Documents, pay, or cause to be paid to, the Indenture Trustee the proceeds of such Collateral Disposition for application in accordance with the Bond Documents and this Order. All such proceeds of any Collateral Disposition shall be applied in accordance with the terms and conditions of the Bond Documents.

18. Maturity Date. Upon the earliest to occur (such earliest date, the “Maturity Date”) of (a) the date that is two years and six months after the Closing Date; (b) the effective date of a confirmed plan of adjustment filed in the Case; (c) the acceleration of the Bonds under the Bond Documents; and (d) dismissal of the Bankruptcy Case, the Bond Obligations shall be immediately due in accordance with the terms of the Bond Documents.

19. No Dismissal. The Bond Obligations shall be indefeasibly paid in full in cash prior to, and notwithstanding, any dismissal of this bankruptcy case unless otherwise agreed to by the Indenture Trustee, upon the consent of all Bondholders, and this Court or the United States District Court for the Eastern District of Michigan shall retain jurisdiction to enforce this Order.

20. Events of Default. The occurrence of an “Event of Default” under the Bond Documents or any violation of the terms of this Order shall constitute an event of default under this Order (“Event of Default”), unless waived in writing by the Indenture Trustee, upon consent of the Bondholders in accordance with the Bond Documents.

21. Rights and Remedies Upon Event of Default. Immediately upon the occurrence and during the continuation of an Event of Default, the Indenture Trustee, upon the direction of the Bondholders in accordance with the Bond Documents, may, among other things, declare all Bond Obligations owing under the Bond Documents to be immediately due and payable in accordance with the terms of the Bond Documents, but without affecting any of the Liens or the Bond Obligations (any such declaration, a “Termination Declaration”). The Termination Declaration shall be given by electronic transmission as provided in the Bond Documents (the date any such Termination Declaration is made, the “Termination Declaration Date”). Following the Termination Declaration Date, the Indenture Trustee, on behalf of the Bondholders, shall be entitled to enforce its rights and remedies under the Bond Documents without further order or approval from this Court.

22. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Order. The Indenture Trustee, on behalf of the Bondholders, and the Purchaser have acted in good faith, as that term is used in Section 364(e) of the Bankruptcy Code, in connection with this Order and their reliance on this Order is in good faith. Based on the findings set forth in this Order

and the record made during the Hearing, and in accordance with Section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Order are hereafter reversed, modified, amended or vacated by a subsequent order of this Court or any other court, the Purchaser, the Indenture Trustee and the Bondholders are entitled to the protections provided in Section 364(e) of the Bankruptcy Code. Any modification, amendment or vacatur shall not affect the validity or enforceability of the Bond Obligations or any Lien, claim (including the Superpriority Claim) or priority authorized or created hereby. Any liens or claims granted to the Purchaser, the Indenture Trustee or the Bondholders hereunder arising prior to the effective date of any such reversal, modification, amendment or vacatur of this Order shall be governed in all respects by the original provisions of this Order, including entitlement to all rights, remedies, privileges and benefits granted herein.

23. Section 921(e) of the Bankruptcy Code; No Modification or Stay of this Order. In accordance with Section 921(e) of the Bankruptcy Code, in the event any or all of the provisions of the order for relief or any order finding jurisdiction is reversed, modified, amended or vacated by this Court or any other court, the Purchaser, the Indenture Trustee and the Bondholders are entitled to the protections provided in Section 921(e) of the Bankruptcy Code. Any such reversal, modification, amendment or vacatur shall not affect the validity or enforceability of the Bond Obligations or any Lien, claim (including the Superpriority Claim) or priority authorized or created hereby. Any liens or claims granted to the Purchaser, the Indenture Trustee and the Bondholders hereunder arising prior to the effective date of any such reversal, modification, amendment or vacatur shall be governed in all respects by the original provisions of this Order, including entitlement to all rights, remedies, privileges and benefits granted herein.

24. Proofs of Claim. The Purchaser, the Indenture Trustee and the Bondholders are not

required to file proofs of claim in the Case to assert any claim in the Case against the City in respect of the Bonds. Any order entered by the Court in relation to the establishment of a bar date in the Case shall not apply to the Purchaser, the Indenture Trustee or the Bondholders, and each of the Purchaser, the Indenture Trustee and each Bondholder is hereby authorized and entitled, in its sole discretion, but not required, to file (and amend and/or supplement, in its discretion) a proof of claim and/or aggregate proofs of claim in the Case for any claim authorized under this Order.

25. Rights of Access and Information. Without limiting the rights of access and information afforded the Purchaser, the Indenture Trustee and Bondholders under the Bond Documents, the City shall afford representatives, agents or employees of the Purchaser, the Indenture Trustee or the Bondholders reasonable access to the City's books and records in accordance with the Bond Documents and shall reasonably cooperate, consult with, and provide to such persons all such information as may be reasonably requested. In addition, the City shall authorize its independent certified public accountants, financial advisors, investment bankers and consultants to cooperate, consult with, and provide to the Indenture Trustee, on behalf of the Bondholders, all such information as may be reasonably requested with respect to the financial condition of the City to the extent required by the Bond Documents. All Bondholders who have agreed to keep such information confidential on terms consistent with the Bond Purchase Agreements will be provided access by the City to all information (including via a virtual data room) provided to Bondholders in connection with the Post-Petition Facility.

26. Limitations on the Post-Petition Facility and the Collateral. The Post-Petition Facility and the Collateral may not be used in connection with: (a) preventing, hindering or delaying any of the Purchaser's, the Indenture Trustee's or the Bondholders' enforcement or realization upon any of the Collateral once an Event of Default has occurred; (b) any act that seeks

to use or uses such assets in a manner that is not permitted by the Bond Documents; (c) objecting or challenging in any way any claims, Liens or Collateral held by or on behalf of any of the Purchaser, the Indenture Trustee or the Bondholders; (d) asserting, commencing or prosecuting any claims or causes of action, including any actions under chapter 5 of the Bankruptcy Code, against any of the Purchaser, the Indenture Trustee, the Bondholders or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors and employees; (e) prosecuting or supporting an objection to, or contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority or enforceability of any of the Bond Obligations, the Liens or any other rights or interests of any of the Purchaser, the Indenture Trustee or the Bondholders; (f) prosecuting or supporting an objection to, or contesting in any manner, the order for relief; or (g) taking any action which is contrary, in a manner that is material and adverse to the Purchaser, the Indenture Trustee or the Bondholders, to any term or condition set forth in the Bond Documents or this Order.

27. No Third Party Rights. Except as explicitly provided for herein, this Order does not create any rights for the benefit of any third party, creditor or any direct, indirect or incidental beneficiary.

28. Section 506(c) Claims. Upon entry of this Order, no claims, costs or expenses incurred in the Case or by the City at any time shall be charged against the Purchaser, the Indenture Trustee, the Bondholders or any of their respective claims or against the Collateral pursuant to Section 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of the Indenture Trustee.

29. No Marshaling/Applications of Proceeds. The Purchaser, the Indenture Trustee and the Bondholders shall not be subject to the equitable doctrine of “marshaling” or any other

similar doctrine with respect to any of the Collateral and proceeds shall be received and applied pursuant to the Bond Documents and this Order.

30. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly of the rights of the Purchaser, the Indenture Trustee or the Bondholders: (a) to seek any other or supplemental relief in respect of the City; or (b) to request modification of the automatic stay of Section 362 or 922 of the Bankruptcy Code.

31. No Waiver by Failure to Seek Relief. The failure of the Purchaser, the Indenture Trustee or the Bondholders to seek relief or otherwise exercise their rights or remedies under this Order, the Bond Documents, the Fee Letter or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of the Purchaser, the Indenture Trustee or the Bondholders.

32. No Waiver by Seeking Relief. Neither the filing of the Motion nor anything herein shall constitute a waiver of any right of the City to take any action, including with respect to the Post-Petition Facility, without approval of the Court, to the extent permitted under Section 904, nor shall the filing of the Motion or the entry of this Order be deemed to constitute the City's consent, pursuant to Section 904 of the Bankruptcy Code, to this Court's interference with (a) any of the political powers of the City, (b) any of the property or revenues of the City or (c) the City's use or enjoyment of any income-producing property, other than as required in connection with the enforcement by the Purchaser, the Indenture Trustee or the Bondholders of their respective rights in connection with the Bond Documents.

33. Binding Effect of Order. Immediately upon execution by this Court, the terms and provisions of this Order shall become valid and binding upon the City, the Purchaser, the Indenture

Trustee, the Bondholders, all creditors of the City, any committee appointed in the Case and all other parties in interest and their respective successors and assigns, including upon dismissal of the Case.

34. No Modification of Order. Until and unless the Bond Obligations have been indefeasibly paid in full in cash (such payment being without prejudice to any terms or provisions contained in the Bond Documents that by their terms survive such discharge), the City irrevocably waives the right to seek and shall not seek or consent to, directly or indirectly, without the prior written consent of the Purchaser (if such action is to be taken prior to the issuance of the Bonds) or the Indenture Trustee (if such action is to be taken after the issuance of the Bonds), in each case, in its sole discretion, (i) any modification, stay, vacatur or amendment to this Order or the order for relief in a manner adverse to the Purchaser, the Indenture Trustee or the Bondholders; (ii) any claim against the City (now existing or hereafter arising of any kind or nature whatsoever, including any administrative expense of the kind specified in Section 503(b), 506(c) or 507(a) of the Bankruptcy Code) equal or superior to the Superpriority Claims; or (iii) any lien on any of the Collateral with priority equal or superior to the Liens (except as specifically provided in the Bond Documents). The City irrevocably waives any right to seek any amendment, modification or extension of this Order without the prior written consent of the Purchaser (if such action is to be taken prior to the issuance of the Bonds) or the Indenture Trustee (if such action is to be taken after the issuance of the Bonds), in each case, in its sole discretion.

35. Order Controls. In the event of any inconsistency between the terms and conditions of the Bond Documents and this Order, the provisions of this Order shall govern and control.

36. Survival. The Superpriority Claim and Liens and the other provisions of this Order and any actions taken pursuant hereto shall survive entry of any order that may be entered: (a)

confirming any plan of adjustment in the Case; (b) dismissing the Case; or (c) pursuant to which this Court abstains from hearing the Case. Any order dismissing the Case shall provide that (A) the Superpriority Claim and Liens granted to the Purchaser, the Indenture Trustee and the Bondholders shall continue in full force and effect and shall maintain their priorities as provided in this Order and the Bond Documents until all Bond Obligations have been paid in full in cash (such payment being without prejudice to any terms or provisions contained in the Post-Petition Facility that by their terms survive such discharge) and (B) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the Superpriority Claim and Liens referred to in clause (A) above. The terms and provisions concerning the indemnification of the Purchaser, the Indenture Trustee and the Bondholders contained in the Bond Documents and in the Commitment Letter dated as of October 6, 2013 (the “Commitment Letter”), between Barclays Capital Inc. and the City, shall continue in the Case, following dismissal of the Case, termination of the Bond Documents, the Commitment Letter and the Post-Petition Facility and the indefeasible repayment of the Bond Obligations.

37. Effect of this Order. This Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052.

38. Retention of Jurisdiction. The Court has and will retain jurisdiction to enforce this Order according to its terms.

**DECLARATION OF CHARLES M. MOORE IN SUPPORT OF MOTION
OF THE DEBTOR FOR A FINAL ORDER PURSUANT TO 11 U.S.C. §§ 105,
362, 364(c)(1), 364(c)(2), 364(e), 364(f), 503, 507(a)(2), 904, 921 AND 922 (I)
APPROVING POST-PETITION FINANCING, (II) GRANTING LIENS
AND PROVIDING SUPERPRIORITY CLAIM STATUS
AND (III) MODIFYING AUTOMATIC STAY**

I, Charles M. Moore, hereby declare under penalty of perjury pursuant to 28 U.S.C. § 1746 as follows:

1. I am a Senior Managing Director at Conway MacKenzie, Inc. ("Conway"), which currently serves as operational restructuring advisor to the City of Detroit ("Detroit" or the "City"). I have a Bachelor of Arts and a Master of Business Administration, both from Michigan State University. Before joining Conway in 2001, I was the Chief Financial Officer of a privately owned automotive supplier. Prior to that, I was a Manager in the middle market consulting practice of what was then known as Deloitte & Touche. I have approximately 19 years of extensive experience dealing with both financial and operational aspects of corporate revitalization.

2. At Conway, I provide crisis management and turnaround consulting services to under-performing entities in a variety of industries, including governmental, financial services, technology, gaming and hospitality, automotive, manufacturing, distribution, consumer products, construction and real estate.

3. I am a Certified Turnaround Professional, a Certified Public Accountant, Certified in Financial Forensics, and a member of the Turnaround Management Association, American Bankruptcy Institute, American Institute of Certified Public Accountants and Michigan Association of Certified Public Accountants. I am also a past President and a former member of the Board of

Directors for the Detroit Chapter of the Turnaround Management Association. Recently, I was appointed to serve on the Legislative Commission on Government Efficiency, a nine-person task force charged with identifying ways to improve the State of Michigan's operations.

4. I, and other Conway professionals have worked closely with the City and its advisors, both prior to, and following the City's chapter 9 bankruptcy filing, to develop an extensive 10-year reinvestment plan, which is designed to inject significant sums of funds into rebuilding the City's infrastructure and to greatly enhance the services the City provides to its citizens.

5. I submit this declaration in support the Motion of the Debtor for a Final Order Pursuant to 11 U.S.C. §§105, 362, 364(c)(1), 364(c)(2), 364(e), 364(f), 503, 507(a)(2), 904, 921 and 922 (I) Approving Post-Petition Financing, (II) Granting Liens and Providing Superpriority Claim Status and (III) Modifying Automatic Stay (the "Motion").¹ Except as otherwise indicated, all statements in this Declaration are based on my personal knowledge, my discussions with City personnel and/or the City's advisors,² my review of relevant documents and

¹ Capitalized terms used but not defined herein are ascribed the meanings given to them in the Motion.

² The City has retained numerous advisors in addition to Conway in connection with its restructuring efforts, including, but not limited to: (a) Miller Buckfire & Co. LLC, as financial advisor and investment banker; (b) Jones Day, as primary restructuring counsel; (c) Ernst & Young LLP, as financial

sources and/or my opinion based upon my professional experience and knowledge of the City's history, operations and financial conditions. If called to testify, I could and would testify to each of the facts set forth herein based on such personal knowledge, review of documents and sources and/or informed opinion.

CHALLENGES FACING THE CITY OF DETROIT

6. Since the middle of the last century, the City of Detroit's decline has been precipitous. Years of fiscal mismanagement, plummeting population rolls (coupled with the related declines in employment and revenues), decaying City infrastructure, deteriorating City services and ill-conceived borrowing at the cost of the City's deepening insolvency, has left the City today a shadow of its former self. Detroit's woes in that regard have been well documented.

7. The Quality of Life Financing will empower the City to begin the critical initial steps of rebuilding itself. To date, the focus of this case has centered on the City's financial obligations, and perhaps rightfully so, as the City's more than \$18 billion of debt is a truly staggering burden for a city that has lost nearly two-thirds of its population in the past half-century. And while there is little question that the City must get out from underneath its staggering and

restructuring advisor; (d) Pepper Hamilton LLP, as special litigation counsel; and (e) Miller Canfield P.L.C., as corporation and local counsel.

unsustainable debt load, the City's true revival will be borne out, not on its balance sheet, but on its streets, and most importantly, in its neighborhoods and schools. Without significant reinvestment into the very building blocks of the City, its renaissance is not possible.

USE OF QUALITY OF LIFE LOAN PROCEEDS

8. Toward that end, the City intends to aggressively pursue, and devote substantial resources to, a number of key initiatives (the "Reinvestment Initiatives") to reverse these debilitating trends. The Reinvestment Initiatives are wide-ranging and will take years to fully accomplish, but are ultimately designed to give the City the ability to: (a) provide improved basic, essential services to residents; (b) potentially improve recoveries for creditors; (c) maximize the collection of taxes and fees and, where appropriate, generate value from City assets; (d) attract new residents and businesses to foster growth and redevelopment; and (e) jumpstart what will be a lengthy process of reforming City government operations to improve efficiency and reduce costs, where appropriate. These initiatives will begin to lay the foundation for safer communities and a more efficient delivery of City services in the future.

9. Accordingly, the City has proposed to spend approximately \$1.25 billion over the next ten years on the Reinvestment Initiatives to remedy the many deficiencies in the services it provides to residents and businesses. Given the

financial need, the City has determined that it must look beyond its own coffers and rely on a multitude of sources to facilitate the Reinvestment Initiatives, including support from the state and federal governments as well as private institutions.

10. Consequently, the Quality of Life Financing is an appropriate, and indeed essential, tool with which to continue tackling these significant challenges. Although the funds sought via the Quality of Life Financing will not address all of the Reinvestment Initiatives, the Quality of Life Financing will kick-start this long-term reinvestment process at the rate of approximately \$20 million per month (beginning in January 2014) of net reinvestment activity during this fiscal year. Without borrowed funds, there is a material risk that the City would have to substantially cut back or eliminate its reinvestment efforts in the near-term, and the City's ability to invest in the future would continue to be hamstrung and imperiled by the City's on-going financial constraints.

11. The sums borrowed in connection with the Quality of Life Financing are designed to be a manageable and responsible amount of debt load that the City can service, while at the same time making a meaningful investment into the City's infrastructure and labor requirements. While the City may ultimately decide to apply the proceeds of the Quality of Life Financing to pursue an array of specific projects, at this time the City intends to prioritize and devote

the proceeds of the Quality of Life Financing to three primary areas: public safety, information technology upgrades and blight removal.

(i) Public Safety: DPD, DFD, and EMS

12. Levels of crime (especially violent crime) in the City are of particular concern, with the City earning the dubious distinction in 2012 of having the highest rate of violent crime of any U.S. city with a population over 200,000. In the face of this epidemic, the City's police department (the "DPD"), which has had five different chiefs in as many years, is currently facing operational difficulties from a sheer lack of investment over the years. Most fundamentally, the DPD simply lacks the personnel necessary to respond to incidents, emergency or otherwise, throughout the City, thus greatly limiting DPD's ability to engage in the kind of pro-active community policing that is necessary to curb the infestation of street gangs and other criminal elements in the City's neighborhoods.

13. At the same time, short-handed DPD officers are being asked to do more with dangerously less — DPD officers lack many of the most basic tools to combat crime, such as bulletproof jackets and taser guns. DPD facilities are old, outdated and in disrepair. The DPD's information technology hardware and software is outdated with multiple disparate systems that are not integrated, are not fully supported by maintenance contracts, and are at critical levels of disrepair, thus greatly inhibiting the ability of officers to perform basic public safety

functions. Critically, the DPD operates with an extremely old fleet of police vehicles, many of which lack the necessary information technology to facilitate efficient police work. The current state of operations at DPD have gravely eroded employee morale, thus undermining the City's ability to adequately perform one of its core missions — providing basic public safety to its citizens.

14. The City has identified a number of quantifiable and qualitative objectives to greatly improve the DPD's operations, including the reduction of response times to the national average, increased case closure rates, updated fleets and facilities, modernization of information technology and refinement of the organization and related personnel structure. The City is committed to bringing DPD staffing up to levels sufficient to allow it to effectively protect the residents and businesses of the City and will use the Quality of Life Financing to support the hiring of additional officers and the civilianization of administrative functions throughout DPD. In addition, the Quality of Life Financing will support the modernization of the DPD's vehicle fleet and will be used to obtain new vehicles for the Department. Further, the City will replace DPD's outdated information technology hardware and software systems.

15. Like the DPD, the City's fire department (the "DFD") and emergency medical services division (the "EMS") are similarly hamstrung from a lack of investment over the years. The DFD has zero reserve vehicles and a

mechanic to vehicle ratio of 1:39, thereby resulting in an inability to complete preventative maintenance on schedule and virtually ensuring that the City's firefighters are forced to operate shorthanded. Moreover, the DFD's fire stations are decades out of date and, in many cases, unable to effectively accommodate modern fire-fighting equipment. With respect to the EMS, during the first quarter of 2013, often only 10-14 of the City's 36 ambulances were actually in service. Those vehicles, many of which have been driven over 250,000 miles, frequently succumb to mechanical difficulties and cannot be relied upon. The resulting impact of these realities on the City's ability to provide the most basic health and safety services for its residents cannot be understated. Further, the risk to life and limb imposed on the City employees who must work under such conditions must be ameliorated.

16. The City has identified several initiatives to address the DFD's and EMS' aging infrastructure. The City will use, among other sources of funds, the Quality of Life Financing to make substantial investments in their respective fleets, information technology systems and facilities, all of which will greatly increase the operating efficiency of both the DFD and EMS. In particular, such initiatives will include streamlining billing and collections processes, increasing charges and fees and enhancing grant identification and management and evaluating all opportunities to integrate fire-fighting and EMS functions.

(ii) Information Technology Services (ITS)

17. The City's technology infrastructure is extraordinarily antiquated, with virtually no integration across departments and functions. In addition to the critically needed upgrades in connection with the City's public safety functions as noted above, the City intends to enhance ITS at the City-wide level, to allow for integration between finance and operational systems.

18. The City will prioritize the selection and implementation of a new enterprise resource planning system and will begin the process of issuing a "request for proposals" and selecting a new system in 2014 and anticipates significant implementation efforts to occur that same year. Improved financial and operational reporting will permit the City both to monitor and improve its operating performance and also to improve its revenue and collection efforts.

(iii) Blight

19. The City has physically deteriorated to a shadow of its former self and is heavily blighted, with tens of thousands of vacant lots and abandoned, dilapidated structures. Of the approximately 78,000 structures in the City, approximately 38,000 are considered dangerous buildings, and that number rises every day. The density of blight within the City not only creates sprawling waste lands that are completely devoid of any realizable economic value, but also creates

significant public safety and environmental hazards and serves as a haven for criminal activity.

20. The City intends to take several steps to address the large numbers of abandoned and blighted structures currently within its borders in order to stabilize and revitalize its neighborhoods and communities. In partnership with various public and private initiatives, including the State of Michigan, the City has renewed its efforts to implement efficient and safe demolition and clearing activities, and, ultimately, to return properties to the private tax base in order to create value going forward. While the City continues to investigate and determine the most effective way to accomplish blight removal, including which geographic areas to focus its efforts on and other factors, the proceeds of the Quality of Life Financing will permit the City to directly fund demolition and other activities. In addition, the City intends to support the construction of recycling centers for local demolition materials.

(iv) Finance (Finance)

21. The City's Finance Department is already engaged in a significant overhaul of several of the City's revenue generating and other operating units and processes. For instance, the City has launched a Property Tax Transformation Project in an effort to turn around the Assessment Division and significantly improve the City's ability to accurately value properties and collect

tax revenue. Equally important, Finance will oversee the implementation of software solutions for income tax processing and enterprise resource planning, which initiatives will help drive revenue growth on a City-wide basis.

22. Addressing the forgoing initiatives, along with others that have been identified by the City and Conway, is a critical first step in rebuilding the City. The Quality of Life Financing, together with existing funds of the City, will kick-start that process, and enable the City to begin the long road back to viability and prosperity. As described in detail above, reinvesting in the infrastructure of the City is critical to beginning the long process of restoring the basic building blocks of the City that have steadily eroded over the last half century. Based on the foregoing, I believe that the Postpetition Financing is both necessary and proper to support the City's restructuring efforts.

I, the undersigned, declare under penalty of perjury that the foregoing is true and correct.

**DECLARATION OF JAMES DOAK IN SUPPORT OF MOTION OF THE
DEBTOR FOR A FINAL ORDER PURSUANT TO 11 U.S.C. §§ 105, 362,

APPROVING POST-PETITION FINANCING, (II) GRANTING LIENS
AND PROVIDING SUPERPRIORITY CLAIM STATUS
AND (III) MODIFYING AUTOMATIC STAY**

I, James Doak, hereby declare under penalty of perjury pursuant to 28 U.S.C. § 1746 as follows:

1. I am a Managing Director at Miller Buckfire & Co., LLC (“Miller Buckfire”), which currently serves as, among other things, investment banker to the City of Detroit (“Detroit” or the “City”), the debtor in the above-captioned chapter 9 case (the “Bankruptcy Case”). Miller Buckfire has been chiefly engaged to assist the City in connection with raising capital in connection with this Bankruptcy Case. On the date hereof, the City filed a Motion for a Final Order Pursuant to 11 U.S.C. §§105, 362, 364(c)(1), 364(c)(2), 364(e), 364(f), 503,

507(a)(2), 904, 921 and 922 (I) Approving Post-Petition Financing, (II) Granting Liens and Providing Superpriority Claim Status and (III) Modifying Automatic Stay (the “Motion”)¹. I submit this declaration in support of the Motion.

2. I have 15 years of experience in the investment banking industry. I have been employed with Miller Buckfire and its predecessors for 13 years, 5 of which I have served as a managing director. During the course of my career, I have provided investment banking services to an array of corporations and entities in a wide variety of industries, including distribution, home goods, gaming, telecommunications, information technology, textiles and power generation and transmission. A majority of the foregoing engagements have entailed Miller Buckfire running a process to solicit financing and/or other capital in connection with the engagement. Prior to joining Miller Buckfire, I was a member of the financial restructuring group of Dresdner Kleinwort Wasserstein, which I joined in 2000. Prior to joining Dresdner Kleinwort Wasserstein, I was an investment banker at Goldman, Sachs & Co.

3. I have a Master of Business Administration with high distinction from Harvard University Business School where I was a Baker Scholar;

¹ All capitalized terms used, but not defined herein shall have the meanings ascribed to such terms in the Motion.

a Juris Doctor degree (cum laude) from Harvard University Law School; and an A.B. (magna cum laude) from Harvard University.

4. I have been involved in all aspects of obtaining the Postpetition Financing, as described in greater detail below, including soliciting financing proposals from prospective lenders, engaging in dialogue among potential credit groups, selecting the best financing proposal for the City's needs, and negotiating the primary terms of the Purchase Agreements and the other Financing Documents. Except as otherwise indicated, all statements in this Declaration are based on my personal knowledge, my review of relevant documents and/or my opinion based upon my experience and knowledge of the capital markets, recent and historical trends in the macro financial markets and the distressed lending market, and the City's operations and financial conditions. If called to testify, I could and would testify to each of the facts set forth herein based on such personal knowledge, review of documents and/or opinion.

The Postpetition Loan Proposal Solicitation Process

5. The process for choosing the Postpetition Financing from the Purchaser was robust and subject to significant market testing. Advisors for the City formally approached over 50 potential financing sources with experience in municipal or special credit situations, which included approximately 13 traditional lending institutions and 37 alternative financing sources. Advisors for the City

sent formal requests for lending proposals to approximately 40 of those potential lenders. The City received indicative term sheets from prospective lenders on September 16, 2013 (the “Proposal Deadline”). Up through the Proposal Deadline, advisors for the City held numerous informational calls with potential lenders to discuss a myriad of issues related to the financing, including potential uses of capital, collateral to secure the financing, the structure of the proposed financing and many other relevant legal and structural issues.

6. On or around the Proposal Deadline, the City received 16 lending proposals (the “Lending Proposals”). The City’s advisors began an immediate review of each of the Lending Proposals and instituted a dialogue with those potential lenders that the City deemed to be most credible based on the pricing and structure of their Lending Proposals. By September 23, 2013, significant dialogue continued with four prospective lenders (the “Final Prospective Lenders”) regarding a variety of terms, structures and pricing.

7. It was the City’s belief, based on extensive analysis and discussions with its advisors, that the Lending Proposals from the Final Prospective Lenders offered the best potential structures, based on pricing and certainty of closing. Of particular concern to the City, aside from the aggregate annual financing costs, was the timing under which a financing could be closed given the need to issue an Optional Termination Notice in the near-term. Thus, the

City gave significant weight to whether prospective lenders would be underwriting the entire financing or whether a lender's commitment would require participations or syndication prior to closing.

8. To continue the process, and as part of the next phase of securing financing for the City, the City's advisors requested that the Final Prospective Lenders submit comprehensive financing term sheets and proposed commitment letters by September 30, 2013, with a goal of having a signed commitment soon thereafter. The City's advisors worked closely with the Final Prospective Lenders and their advisors during the intervening time to resolve numerous legal and financial diligence questions as well as to discuss financing structures and closing timeframes.

9. Based on the proposed terms and conditions of the final proposals, the City and its advisors determined that the Purchaser's proposed financing terms were superior to the others in terms of overall pricing, certainty of closing and other structural aspects. Nevertheless, for the intervening week, the City's advisors engaged with certain of the Final Prospective Lenders in an effort to improve the terms of their financing proposals to maximize value for the City. Despite those efforts, the Purchaser's proposal remained the best available, prompting the Emergency Manager to execute the Commitment Letter with the Purchaser and pay 50% of the commitment fees owing under the terms thereof.

Proposed Financing is in the Best Interests of the City & its Constituents

10. I believe, based on my extensive experience in the investment banking industry, and distressed financing markets in particular, that the Postpetition Financing is the best financing available to the City under the circumstances. The pricing is particularly attractive from the City's perspective, with an effective interest rate of approximately 3.5%, an extremely favorable interest rate for an entity in bankruptcy proceedings. Although subject to market flex, I am of the belief that even if such provisions were fully exercised, the pricing on the Postpetition Financing would still be below what is typical for a postpetition bankruptcy financing.

11. The debt service obligations of the City for the two and half year term of the Postpetition Financing, assuming no events of default, are limited to interest payments only, and amount to approximately \$12 million annually, which is significantly less than the nearly \$50 million in annual debt service obligations that had been paid by the City in connection with the Swap Agreements, which will be eliminated in the event the Court approves the Motion, and the Forbearance Agreement Approval Motion.

12. Moreover, following approval of the Forbearance Agreement Approval Motion, I believe that the City is prepared to promptly issue an Optional Termination Notice, and to proceed with closing on the Postpetition Financing to

obtain a discount on the Optional Termination Amounts owing in respect of the Swap Agreements upon termination. The resulting savings to the City could approach approximately \$50 million, based on an estimated present market value of the Swap Agreements of approximately \$290 million.

13. Additionally, and as set forth in greater detail in the Moore Declaration, the Postpetition Financing will also be used to advance certain key investment initiatives of the City in respect of, among other things, blight removal, public safety and technology infrastructure.

14. I believe, based on the process employed by the City and its advisors in selecting the Postpetition Financing, that the market has been substantially and adequately tested. I further believe that postpetition financing on an unsecured basis within the timeframe necessary, is not available. The Purchase Agreements have been negotiated at arm's-length and I believe that the Postpetition Financing is the best financing proposal available under the circumstances.

15. I further believe that the use of the Postpetition Financing — to fund the City's obligations in respect of an early termination of the Swap Agreements pursuant to the Forbearance Agreement, and to begin critical investments in the City's infrastructure — is well supported by the City's sound business judgment, given the substantial savings the City will realize in annual

debt service obligations and the settlement discount on the Swap Agreements, as well as the key investments the City intends to make to begin the process of rebuilding its infrastructure.

16. Based on the foregoing, I believe that the relief sought in the Motion is both necessary and appropriate to advance the City's restructuring efforts and should be approved in all respects.

I, the undersigned, declare under penalty of perjury that the foregoing is true and correct.

\$350,000,000 Post-Petition Bond Financing—Commitment Letter

Dear Ms. Corio:

You have advised Barclays Capital Inc. (“Barclays,” or the “Purchaser”), that the City of Detroit, Michigan (the “City” or “you”) filed a voluntary petition on July 18, 2013 seeking relief under the provisions of chapter 9 of title 11 of the United States Code (the “Bankruptcy Code”) in the U.S. Bankruptcy Court for the Eastern District of Michigan (the “Bankruptcy Court”). The City’s bankruptcy case bears Case No. 13-53846 (the “Bankruptcy Case”).

Capitalized terms used but not defined herein are used with the meanings assigned to them in Exhibit A and Exhibit B attached hereto, as applicable (collectively with all exhibits attached thereto, the “Term Sheets” and, together with this letter, collectively, the “Commitment Letter”). As used herein, the term “Transactions” means, collectively, the entering into and funding of the Post-Petition Facility, the consummation of certain other transactions contemplated by the Commitment Letter and the Fee Letter (as defined below) and all other related transactions, including the payment of fees and expenses in connection therewith.

1. Commitments, Titles and Roles

You hereby appoint Barclays, and Barclays hereby agrees to act, as exclusive note agent (in such capacity, the “Note Agent”) for the Post-Petition Facility. You hereby appoint Barclays to act, and Barclays hereby agrees to act, as sole lead arranger, sole bookrunner and sole syndication agent (in such capacities, the “Arranger”), for the Post-Petition Facility. Each of the Arranger and the Note Agent will have the rights and authority customarily given to financial institutions in such roles. In connection with the Transactions, the Purchaser is pleased to advise you of its commitment (the “Commitment”) to provide a senior secured superpriority chapter 9 debtor financing facility under section 364(c) of the Bankruptcy Code in the aggregate principal amount of up to \$350,000,000, which comprises a Quality of Life Note and a Swap Termination Note on

the terms and subject to the conditions set forth in this Commitment Letter, the Term Sheets and the Fee Letter.

Our fees for services related to the Post-Petition Facility are set forth in a separate fee letter (the "Fee Letter") entered into between you, the Note Agent and the Purchaser on the date hereof. As consideration for the execution and delivery of this Commitment Letter by the Purchaser, you agree to pay or cause to be paid the fees and expenses set forth in this Commitment Letter and in the Fee Letter as and when payable in accordance with the terms hereof and thereof.

No additional agents, arrangers, bookrunners or post-petition lenders may be appointed or engaged without our written consent. It is agreed that in the event additional agents, arrangers, bookrunners or post-petition lenders are appointed or engaged, the Arranger will have primary authority for managing the syndication of the Post-Petition Facility with sole "left side" placement in any and all marketing materials or other documentation used in connection with the Post-Petition Facility. In addition, the economics allocated to Barclays shall not be less than the economics allocated to any other agent, arranger, bookrunner or post-petition lender and no agent, arranger, bookrunner or post-petition lender shall be entitled to more favorable terms and conditions than those applicable to Barclays.

2. Conditions Precedent

The Purchaser's commitments and the Note Agent's agreements hereunder are subject to the conditions set forth in this Section 2 and in the Term Sheets under the headings "Conditions Precedent."

The Purchaser's commitments hereunder and the Purchaser and the Note Agent's agreements to perform the services described herein are further subject to the following conditions: (i) the Purchaser and the Note Agent shall not have become aware after the date hereof of any information or other matter not previously disclosed and not otherwise publicly available to them that either of them reasonably determines to be material and adverse relative to the information or other matters disclosed to them prior to the date hereof; (ii) the Purchaser's satisfaction that there is no competing offering, placement, arrangement or syndication of any debt securities or debt facilities by or on behalf of you; and (iii) your performance of (x) all your obligations hereunder to provide information and otherwise assist in the efforts to syndicate the Post-Petition Facility, and (y) compliance with all your obligations hereunder and under the Fee Letter to pay fees and expenses.

3. Syndication

The Arranger reserves the right to syndicate all or a portion of the Post-Petition Facility by assigning or selling participations in the Quality of Life Note and the Swap Termination Note (the "Notes") to a group of banks, financial institutions and other institutional lenders (together with Barclays, the "Participants") identified by the Purchaser in consultation with and with the consent of the City, such consent not to be unreasonably withheld, delayed or conditioned (it being agreed that the City's consent shall be deemed to have been given if the City has not responded within five (5) business days of an assignment request). Notwithstanding the foregoing, unless otherwise agreed by you in writing, no assignment by the Purchaser of its

commitments hereunder prior to the Closing Date will reduce or release the Purchaser's obligations to purchase the Notes under the Post-Petition Facility on the Closing Date in the event any assignee shall fail to do so on the Closing Date. For the avoidance of doubt, the syndication may occur, in whole or in part, after the Closing Date. The Arranger will lead the syndication and exclusively manage all aspects of the syndication, including determining the timing of all offers to prospective Participants, the acceptance of commitments, the amounts offered and the compensation provided to each Participant from the amounts to be paid to the Arranger pursuant to the terms of this Commitment Letter and the Fee Letter and will determine the final commitment allocations. You hereby acknowledge and agree that the Arranger will have no responsibility other than to arrange the syndication as set forth herein and in no event shall the Arranger or the Purchaser be subject to any fiduciary or other implied duties in connection with the transactions contemplated hereby.

You agree to actively assist the Arranger until 90 days after the Closing Date (the "Syndication Period"), in completing timely and orderly syndications satisfactory to the Arranger. Such assistance shall include (a) direct contact during the syndications between you, your agents, representatives and advisors, on the one hand, and the proposed Participants, on the other hand, (b) the hosting, with the Arranger, of one or more meetings of or telephone conference calls with prospective Participants at times and locations to be mutually agreed upon, (c) upon the request of the Arranger, your using commercially reasonable efforts to assist the Arranger in procuring a credit rating in respect of the Post-Petition Facility from Standard & Poor's Rating Services and Moody's Investors Service, Inc. and (d) there being no competing issues, offerings, placements or arrangements of debt securities or commercial bank or other credit facilities of the City being issued, offered, placed or arranged. Notwithstanding anything to the contrary contained in this Commitment Letter or the Fee Letter or any other letter agreement or undertaking concerning the financing of the transactions contemplated hereby to the contrary, the completion of the syndication of the Post-Petition Facility shall not constitute a condition to the commitments hereunder or the purchase of the Notes on the Closing Date.

4. Information

To assist the Arranger in its syndication efforts, during the Syndication Period, you agree to promptly prepare and provide to the Arranger all information with respect to you and the Transactions in form and substance satisfactory to the Arranger, including such financial information and projections as the Arranger may reasonably request in connection with the structuring, arrangement and syndication of the Post-Petition Facility. You represent, warrant and covenant that: (i) all information (other than the Projections (as defined below)) that has been or will be made available to the Arranger, the Note Agent, the Participants or any of their respective affiliates directly or indirectly by or on behalf of the City or its agents or representatives in connection with the Transactions is and will be, when taken as a whole, complete and correct in all material respects and does not and will not, when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein not misleading in light of the circumstances under which such statements are made and (ii) the projections and other forward looking information (the "Projections") that have been or will be made available directly or indirectly to the Arranger, the Participants or any of their respective affiliates by or on behalf of the City or its agents or representatives have been and will be prepared in good faith upon assumptions that are believed

by you to be reasonable when made and when made available to the Arranger, the Participants and their respective affiliates. You agree that if at any time prior to the Closing Date, and thereafter during the Syndication Period, any of the representations in the preceding sentence would be incorrect in any material respect if made at such time, then you will promptly supplement, or cause to be supplemented, the information and Projections so that such representations will be correct in all material respects in light of the circumstances in which statements are made. You understand that in providing services pursuant to this Commitment Letter, the Purchaser and the Note Agent may use and rely on the information and Projections without independent verification thereof.

5. Indemnification and Expenses

To induce the Purchaser and the Note Agent to enter into this Commitment Letter and the Fee Letter and to proceed with the documentation of the Post-Petition Facility, you hereby agree, to the extent permitted by law, to indemnify upon demand and hold harmless the Note Agent, the Arranger, the Purchaser, each participant and their respective affiliates and each partner, trustee, shareholder, director, officer, employee, advisor, representative, agent, attorney and controlling person thereof (each of the above, an "Indemnified Person") from and against any and all actions, suits, proceedings (including any investigations or inquiries), claims, losses, damages, liabilities, costs or expenses (including fees, disbursements, settlement costs and other charges of counsel), joint or several, of any kind or nature whatsoever that may be brought or threatened by the City, any of its agents, representatives, employees, creditors or any other person or entity (whether or not the City is a party to such action, suit proceeding or claim and regardless of whether such claim is brought by or on behalf of the City) which may be incurred by or asserted against or involve any Indemnified Person (whether or not any Indemnified Person is a party to such action, suit, proceeding or claim) as a result of or arising out of or in any way related to or resulting from this Commitment Letter, the Fee Letter, the Post-Petition Facility, the Bankruptcy Case (to the extent related to the Transactions) or the Transactions or any use or intended use of the proceeds of the Post-Petition Facility (whether or not the transactions contemplated hereby or by the Fee Letter are consummated), and, to the extent permitted by law, to reimburse each Indemnified Person upon demand for any documented and reasonable legal or other out-of-pocket costs and expenses incurred in connection with investigating or defending any of the foregoing; provided that you will not have to indemnify an Indemnified Person against any action, suit, proceeding (including any investigation or inquiry), claim, loss, damage, liability, cost or expense to the extent the same resulted from the gross negligence or willful misconduct of such Indemnified Person (to the extent determined by a court of competent jurisdiction in a final and non-appealable judgment). Regardless of whether the Closing Date occurs or any QOL Note Documents or ST Note Documents (collectively, the "Note Documents") are executed and delivered or any notes are purchased or extensions of credit are made under the Post-Petition Facility, you agree, to the extent permitted by law, to reimburse promptly upon written demand the Purchaser and its affiliates for all documented and reasonable costs and expenses incurred in connection with the enforcement of any rights and remedies hereunder or under the Fee Letter or the administration, amendment, modification or waiver of any of the Commitment Letter, the Fee Letter, the Note Documents or the definitive documentation in respect of the Post-Petition Facility. It is further agreed that the Purchaser, the Note Agent and the Arranger shall only have liability to you with respect to the Post-Petition Facility, the Fee Letter and this Commitment Letter and not to any other person. No Indemnified Person will have any liability (whether in

contract, tort or otherwise) to the City as a result of or arising out of or in any way related to or resulting from this Commitment Letter, the Fee Letter, the Post-Petition Facility, the Bankruptcy Case (to the extent related to the Transactions) or the Transactions or any use or intended use of the proceeds of the Post-Petition Facility, except to the extent such liability is determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person's gross negligence or willful misconduct. Notwithstanding any other provision of this Commitment Letter, no Indemnified Person will have any responsibility or liability (whether in contract, tort or otherwise) to you or any other person or entity for damages arising from the use by others of any information or other materials obtained through internet, electronic, telecommunications or other information transmission systems, except to the extent such liability is determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person's gross negligence or willful misconduct.

Your indemnity and reimbursement obligations under this Section 5 will be in addition to any liability that you may otherwise have and will be binding upon and inure to the benefit of the successors, assigns, heirs and personal representatives of you and the Indemnified Persons.

Neither the Purchaser, the Note Agent, the Arranger nor any other Indemnified Person will be responsible or liable on any theory of liability to you or any other person or entity for any indirect, special, punitive or consequential damages (collectively "Consequential Damages") which may be alleged or otherwise claimed as a result of or in connection with this Commitment Letter, the Fee Letter, the Post-Petition Facility, the Bankruptcy Case (to the extent related to the Transactions) or the Transactions or any use or intended use of the proceeds of the Post-Petition Facility. The City will not be responsible or liable on any theory of liability to any Indemnified Party or any other person or entity for any Consequential Damages which may be alleged or otherwise claimed as a result of or in connection with this Commitment Letter, the Fee Letter, the Post-Petition Facility, the Bankruptcy Case (to the extent related to the Transactions) or the Transactions or any use or intended use of the proceeds of the Post-Petition Facility; provided that nothing contained in this sentence shall otherwise limit your indemnity obligations to the extent set forth in this Section 5, including any Consequential Damages.

The City's obligation to indemnify or to pay any expense or other obligation set forth herein or to cause any such expense or other obligation to be paid shall be joint and several.

6. Assignments

This Commitment Letter may not be assigned by you without the prior written consent of the Purchaser (and any purported assignment without such consent will be null and void), is intended to be solely for the benefit of the parties hereto and the Indemnified Persons and is not intended to and does not confer any benefits upon, or create any rights in favor of, any person (including your employees or creditors) other than the parties hereto (and any Indemnified Person). The Purchaser may assign its commitments and agreements hereunder, in whole or in part, to any of its affiliates or any Participant (including without limitation as provided in Section 3 above); however the Purchaser shall not be released from the portion of its commitment hereunder so assigned until after the Closing Date unless you and the Purchaser agree in writing. The Purchaser and the Note Agent reserve the right to employ the services of their respective

affiliates in providing services contemplated hereby and to allocate, in whole or in part, to their affiliates certain fees payable to the Purchaser in such manner as they and their respective affiliates may agree in their sole discretion. This Commitment Letter may not be amended or any term or provision hereof waived or modified except by an instrument in writing signed by each of the parties hereto.

7. USA PATRIOT Act Notification

The Purchaser and the Note Agent notify you and your agents and representatives that, pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (as amended, supplemented or modified from time to time, the "Patriot Act") they and each Participant may be required to obtain, verify and record information that identifies you and your agents and representatives, including the name, address and tax identification number of each such person and other information that will allow the Purchaser, the Note Agent and each Participant to identify each such person in accordance with the Patriot Act and other applicable "know your customer" and anti-money laundering rules and regulations. This notice is given in accordance with the requirements of the Patriot Act and is effective for the Note Agent, the Purchaser and each Participant.

8. Sharing Information; Affiliate Activities; Absence of Fiduciary Relationship

Maturity: The Note will mature on the earliest to occur of (a) dismissal of the Bankruptcy Case, (b) the effective date of a plan of adjustment for the City, (c) the date on which maturity of the Note is accelerated pursuant to the ST Note Documents and (d) the date that is two years and six months after the Closing Date (hereinafter defined) (in any event, the "Maturity Date").

Tax-exemption of Interest: To be determined.

Closing Date: The Closing Date shall be not later than the second business day after the last to occur of (i) the Bankruptcy Court having entered an order in form and substance satisfactory to the Purchaser (the "Post-Petition Financing Order"), authorizing the Post-Petition Facility, authorizing the City to enter into the ST Note Documents and authorizing and directing the City to perform its obligations thereunder that has not been stayed, reversed or vacated and shall not have been amended, supplemented or otherwise modified without the prior written consent of the Purchaser, (ii) the Bankruptcy Court having entered an order for relief in the Bankruptcy Case and (iii) the date on which all conditions precedent to the issuance of the Note under the ST Note Documents and the issuance of the Quality of Life Note are satisfied and the Quality of Life Note shall have been issued in accordance with the terms of the QOL Note Documents (as defined below).

Note Purchase Date: The Closing Date.

3. CERTAIN PAYMENT PROVISIONS

Scheduled Amortization of Principal: None prior to the Maturity Date.

Spread: 250 basis points, subject to the terms of the Default Interest Rate set forth below.

Note Interest Rate: 1-month LIBOR plus the Spread. LIBOR at all times shall include statutory reserves and shall be deemed to be not less than 1.00% per annum. The Post-Petition Facility shall be subject to market flex provisions.

Default Interest Rate: Upon the occurrence of an Event of Default, including the failure by the City to redeem the Note in full on the Maturity Date, at the election of the Purchaser, the initial Spread shall be increased by 200 basis points.

Interest Payment Date: Each LIBOR reset date, the date of any redemption of the Note (in whole or in part) and the Maturity Date. Interest shall be calculated on the basis of the actual number of days elapsed in a year of 360 days.

Optional Redemption: The Note may be called for redemption in whole or in part on any business day upon 10 business days' prior written notice (i) at any time on or before the first anniversary of the Closing Date, at a redemption price of 100% of the principal amount, plus accrued and unpaid interest and a make-whole premium (which shall be the amount of interest to and including the first anniversary of the Closing Date calculated at the then-current Note Interest Rate) and (ii) at any time after the first anniversary of the Closing Date, at a redemption price of 100% of the principal amount, plus accrued and unpaid interest, without premium or penalty. Notwithstanding the foregoing, partial redemptions funded by Asset Proceeds Collateral (as defined below) not required to be used to redeem the Note may occur without premium or penalty at any time upon 10 business days' prior written notice.

Mandatory Redemption: The City shall utilize all net proceeds of the voluntary disposition or monetization of any City owned asset (the "Asset Proceeds Collateral") which generates net cash proceeds exceeding \$10 million to redeem the Note and the Quality of Life Note on a ratable basis upon 10 business days' prior written notice to the Purchaser as and when such net proceeds are received by the City. Principal outstanding in respect of the Note will be due and payable in full upon the Maturity Date.

Assignment and Participation: The Purchaser may assign all or a portion of the Note to a group of banks, financial institutions and other institutional lenders identified by the Purchaser in consultation with and with the consent of the City, such consent not to be unreasonably withheld, delayed or conditioned (it being agreed that the City's consent shall be deemed to have been given if the City has not responded within five (5) business days of an assignment request). In addition, the Purchaser shall be entitled to sell participations in the Note without the consent of the City.

4. COLLATERAL AND PRIORITY

Collateral: The obligations owing by the City under the Post-Petition Facility with respect to the Swap Termination Note shall, pursuant to section 364(c) of the Bankruptcy Code, be secured by a first priority lien on: (i) the Asset Proceeds Collateral and (ii) income tax revenues of the City (the "Pledged Income Tax Revenue" and together with the Asset Proceeds Collateral, the "Swap Termination Note Collateral"). The lien on the Asset Proceeds Collateral shall also secure the Quality of Life Note on

a pari passu basis. The Quality of Life Note shall be secured by a second lien on the Pledged Income Tax Revenue.

The ST Note Documents will require that the Pledged Income Tax Revenue be deposited into one or more bank accounts (such bank accounts, the "Income Tax Revenue Accounts"), which bank accounts shall be subject to control agreements in favor of the Purchaser, provided, however, that the ST Note Documents shall limit the amount of Pledged Income Tax Revenue required to be applied to the outstanding amounts owing with respect to the Swap Termination Note during the continuation of an Event of Default to \$4 million per month. The City shall be authorized to use all other Pledged Income Tax Revenue to fund the operations of the City, without limitation, during the continuation of an Event of Default.

The Post-Petition Financing Order shall provide, among other things, that it constitutes sufficient and conclusive evidence of the validity, perfection, priority and enforceability of the liens granted thereunder, with the priority described therein, without the necessity of filing or recording any statement, mortgage, notice or other instrument or document which may otherwise be required under state or other non-bankruptcy law.

Super-Priority of Note: Pursuant to Bankruptcy Code sections 364(c), 503 and 507(a)(2), the Note shall have priority over all administrative expenses, over all other postpetition claims and over all prepetition unsecured claims.

Events of Default: Usual for municipal financings, and others to be reasonably specified by the Purchaser, including, without limitation, nonpayment of principal, interest or other amounts; non-performance of covenants and obligations; incorrectness of representations and warranties in any material respect; cross default in respect of a payment or payments of post-petition debt exceeding \$25 million or cross acceleration in respect of post-petition debt in an outstanding aggregate principal amount exceeding \$25 million; material post-petition judgments involving liability in an amount exceeding \$25 million; actual or asserted invalidity or unenforceability of any ST Note Document; written assertion by an authorized officer of the City (or any person or entity acting on behalf of or having jurisdiction over the City) that any ST Note Document or court order with respect thereto is invalid or otherwise not binding on the City; dismissal of the Bankruptcy Case; reversal or modification in a manner adverse to the Purchaser of the order for relief by entry of an order that is not stayed; the City's filing of, consent to or lack of timely opposition to a motion seeking dismissal of the Bankruptcy Case; granting of any super-priority claim (other than as permitted under the ST Note Documents); entry of an

order without the prior written consent of the Purchaser amending, supplementing or otherwise modifying the Post-Petition Financing Order in a manner adverse to the Purchaser, or reversal, vacation or stay of the effectiveness of the Post-Petition Financing Order; cessation of liens or super-priority claims granted in respect of the Note to be valid, perfected and enforceable in all respects with the priority described herein; failure of the Pledged Income Tax Revenue to maintain a minimum level of receipts of \$30 million for any rolling 3-month period and the Income Tax Revenue Accounts to maintain a minimum aggregate value of \$5 million at all times; and the city ceases to be under the control of an emergency manager for a period of thirty (30) days unless a Transition Advisory Board or consent agreement reasonably determined by the Purchaser to ensure continued financial responsibility shall have been established.

Remedies:

Upon any Event of Default, the Purchaser may declare the principal of the Note to be immediately due. Payment of such accelerated principal shall be made by the City on a monthly basis on a level debt basis equivalent to \$4 million per month, plus the pro-rata proceeds of any Asset Proceeds Collateral.

Prohibition of
Additional
Borrowings:

The City will covenant that it will not obtain or seek to obtain any additional financing, including without limitation, any additional swap transaction, that (a) would have a senior payment priority to the Post-Petition Facility or (b) is secured by a lien on any of the collateral securing the Post-Petition Facility. The Post-Petition Financing Order shall provide, among other things, that no Asset Proceeds Collateral shall be used for any purpose other than the payment of amounts outstanding in respect of the Swap Termination Note or the Quality of Life Note.

The City will covenant that it will not seek to invalidate or refute the enforceability of any ST Note Document or the Post-Petition Financing Order, notwithstanding the dismissal of the Bankruptcy Case.

EXHIBIT 6B

CITY OF DETROIT, MICHIGAN
FINANCIAL RECOVERY BONDS
SERIES 2013A (SWAP TERMINATION)

BOND PURCHASE AGREEMENT

_____, 2013

City of Detroit, Michigan
2 Woodward Ave., Suite 1126
Detroit, MI 48226

The undersigned (the “Purchaser”) offers to enter into this Bond Purchase Agreement (this “Bond Purchase Agreement”) with City of Detroit, County of Wayne, State of Michigan (the “City”) which, upon the City’s acceptance hereof, will be binding upon the Purchaser and the City. This offer is made subject to written acceptance of this Bond Purchase Agreement by the City and the delivery of such acceptance to the Purchaser on or before 1:00 P.M., New York time on the date hereof and if not accepted will be subject to withdrawal by the Purchaser upon notice delivered to the City at any time prior to acceptance by the City.

The City has advised the Purchaser that the City filed a voluntary petition on July 18, 2013 seeking relief under the provisions of chapter 9 of title 11 of the United States Code (the “Bankruptcy Code”) in the U.S. Bankruptcy Court for the Eastern District of Michigan (the “Bankruptcy Court”) and that the City’s bankruptcy case bears Case No. 13-53846 (the “Bankruptcy Case”) and that an order for relief in the Bankruptcy Case was entered on _____, 2013.

Capitalized terms used herein and not otherwise defined in the body of this Bond Purchase Agreement shall have the respective meanings ascribed thereto in Appendix A hereto or, if not defined herein, in the Indenture.

1. **Sale Purchase Price and Terms of the Bonds.** (a) Upon the terms and conditions and upon the basis of the City’s representations and warranties hereinafter set forth, the Purchaser hereby agrees to purchase from the City, and the City hereby agrees to sell to the Purchaser, on a private placement basis, all (but not less than all) of the \$_____ aggregate principal amount of Financial Recovery Bonds Series 2013A (Swap Termination) (the “Bonds”), which Bonds shall constitute a senior secured superpriority Chapter 9 debtor financing under section 364(c) of the Bankruptcy Code. Pursuant to Bankruptcy Code sections 364(c), 503 and 507(a)(2), the Bonds shall have

priority over all administrative expenses in the Bankruptcy Case, over all other postpetition claims against the City and over all prepetition unsecured claims against the City. The Bonds shall be issued in denominations of \$100,000 or any integral multiple thereof.

(b) The Bonds will be dated the date of delivery thereof, will have a maturity date of the earliest of (i) the date of dismissal of the Bankruptcy Case, (ii) the effective date of a confirmed plan of adjustment filed in the Bankruptcy Case, (iii) the date on which the Bonds are accelerated pursuant to the ST Bond Documents and (iv) _____ *[the date that is two years and six months after the Closing Date]* (any such date, the “Maturity Date”), and will bear interest from and including the date of delivery thereof to but excluding the Maturity Date at a per annum interest rate equal to the Bond Rate, which rate shall be reset on the first Business Day of each calendar month (each, a “Reset Date”). Interest on the Bonds shall be computed on the basis of a year of 360 days and the actual number of days elapsed and shall be payable on (i) each Reset Date, (ii) the date of redemption of the Bonds (in whole or in part) and (iii) the Maturity Date. Upon the occurrence and continuance of an Event of Default under the Indenture (including upon the failure to pay any amounts due on the Bonds), the Bonds shall bear interest at a per annum interest rate equal to the sum of the Bond Rate plus 2.00% (the “Default Rate”) from and including the date of the occurrence of such Event of Default.

(c) As provided in the Indenture, the Bonds shall be subject to optional redemption, in whole or in part in Authorized Denominations, upon at least 10 Business Days’ prior written notice to the holders thereof, (i) on or before the first anniversary of the Closing Date at a redemption price (plus accrued interest) equal to 100% of the principal amount of the Bonds redeemed plus a make-whole premium equal to the amount of interest on the Bonds calculated at the then current Effective Rate from and including the redemption date to and including the first anniversary of the Closing Date, and (ii) on any date after the first anniversary of the Closing Date at a redemption price equal to 100% of the principal amount of the Bonds redeemed (plus accrued interest). Notwithstanding the foregoing, the City may partially redeem the Bonds with the proceeds of any disposition or monetization of any City owned asset not required to be used to cause a mandatory redemption of the Bonds as described in Section 1(d) below without the payment of any premium.

(d) As provided in the Indenture, the Bonds shall be subject to mandatory redemption, upon at least 10 Business Days’ prior written notice, in whole or in part in Authorized Denominations and on a ratable basis with the Quality of Life Bonds, from the net cash proceeds derived from a transaction or series of related transactions involving the voluntary disposition or monetization of any City owned asset which generates net cash proceeds from such transaction or series of transactions exceeding \$10,000,000 (the “Asset Proceeds Collateral”).

(e) The Bonds will be as described in and shall be issued and secured under and pursuant to the Act, the EM Orders, Order of Approval No. 2013-__ of the Local Financial Emergency Loan Board dated _____ (the “ELB Order”), and the City of

Detroit, Michigan Financial Recovery Bond Trust Indenture (the “Indenture”) executed by the City and the Trustee, and will be payable as described in the Indenture. The purchase price for the Bonds will be \$_____ (the “Purchase Price”).

(f) The obligations of the City with respect to the Bonds shall, pursuant to the Order, the Indenture and section 364(c) of the Bankruptcy Code, be secured by a first priority lien on (a) the Asset Proceeds Collateral and (b) the revenues collected by the City from a levy of an excise tax on income pursuant to Act No. 284, Public Acts of Michigan, 1964, as amended, MCL 141.501, et. seq. (the “Pledged Income Tax Revenue”, and together with the Asset Proceeds Collateral, the “Bond Collateral”). The lien on (i) the Asset Proceeds Collateral shall also secure the Quality of Life Bonds on a pari passu basis and (ii) the Pledged Income Tax Revenue shall secure the Quality of Life Bonds on a second lien basis.

(g) The ST Bond Documents shall require that the Pledged Income Tax Revenue be deposited into one or more bank accounts (such bank accounts, the “Income Tax Revenue Accounts”), which bank accounts shall be subject to control agreements (the “Income Tax Control Agreements”) in favor of the Trustee on terms reasonably acceptable to the Purchaser, provided, however, that the ST Bond Documents shall limit the amount of Pledged Income Tax Revenue required to be applied to the outstanding amounts owing with respect to the Bonds during the continuation of an Event of Default to \$4,000,000 per month, all of which shall be applied to redeem the Bonds until the Bonds are paid in full and thereafter, such amounts (in addition to \$4,000,000 per month of Pledged Wagering Tax Revenue) shall be applied to redeem the Quality of Life Bonds. Subject to the terms of the Income Tax Control Agreements, the City shall be authorized to use all other Pledged Income Tax Revenue to fund the operations of the City, without limitation, during the continuation of an Event of Default.

(h) The net proceeds of the Bonds will be used for the purposes permitted by law, agreed upon between the City and the Purchaser in the ST Bond Documents and approved by the Bankruptcy Court, as more specifically provided in the ST Bond Documents.

(i) Simultaneously with the execution of this Bond Purchase Agreement, the City and the Purchaser are entering into a bond purchase agreement governing the one-time purchase of a security structured as a senior secured superpriority Chapter 9 debtor financing under section 364(c) of the Bankruptcy Code (the “Quality of Life Bonds”) for the purpose of funding certain quality of life projects for the City.

2. Representations of the Purchaser. The Purchaser represents, warrants and covenants as of the date hereof and as of the Closing Date that (a) it has the full legal power and authority to execute and deliver this Bond Purchase Agreement and to carry out and to consummate the transactions contemplated by this Bond Purchase Agreement; (b) it has duly authorized the execution and delivery of this Bond Purchase Agreement, and the performance of its obligations hereunder; and (c) when executed and delivered by the City, this Bond Purchase Agreement shall constitute a legal, valid and binding

(c) The Purchaser acknowledges and agrees that it will comply with the requirements of any applicable state or federal securities law in connection with any resale of the Bonds (or any portion thereof) by the Purchaser.

3. Failure to Close; Termination of Bond Purchase Agreement. In the event of the City's failure to deliver the Bonds on the Closing Date, or if the City is unable to satisfy the conditions of the Purchaser's obligation to purchase and accept delivery of the Bonds as set forth in this Bond Purchase Agreement or if the Purchaser's obligation with respect to the Bonds shall be terminated for any reason permitted by this Bond Purchase Agreement, this Bond Purchase Agreement shall terminate, and neither the Purchaser nor the City shall be under any further obligation hereunder, except that the obligation of the City for the payment of amounts set forth in Section 9 hereof and the obligations of the City under Section 13 hereof shall continue in full force and effect and the City shall be obligated to pay the remaining portion of the Commitment Fee, as set forth in the Fee Letter. Except as set forth in Sections 9 and 13 hereof, neither party hereto shall have any further rights against the other hereunder following such termination of this Bond Purchase Agreement.

4. Private Placement of Bonds; Absence of Disclosure Document. The Closing Documents shall be made available for inspection by the Purchaser at least one full Business Day before the Closing Date.

On the Business Day prior to the Closing Date, the City shall deliver to the Trustee, as F.A.S.T. Agent of DTC, the Bond Certificate to be held in escrow for delivery to the account of the Purchaser as provided above.

11. **No Third Party Beneficiaries; Survival of Representations, Covenants and Agreements.** This Bond Purchase Agreement is made solely for the benefit of the City and the Purchaser (including the successors or assigns of the Purchaser). No other person shall acquire or have any right hereunder or by virtue hereof. All the representations, warranties, covenants and agreements contained in this Bond Purchase Agreement shall remain operative and in full force and effect for so long as the Bonds have not been paid regardless of any investigation made by or on behalf of the Purchaser and such representations, warranties, covenants and agreements shall survive the delivery of and payment for the Bonds hereunder unless this Bond Purchase Agreement shall be terminated for the reasons described in Section 3 hereof, in which case the survival provisions contained in such paragraph shall control.

12. **Disclaimer of Purchaser.** It is expressly understood and agreed by and between the City and the Purchaser that the Purchaser is not acting as the City's selling or marketing agent hereunder. The City acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Bond Purchase Agreement is an arm's-length commercial transaction between the City and the Purchaser, (ii) in connection therewith and with the process leading to such transaction the Purchaser is acting solely as a principal and not the agent, advisor or fiduciary of the City, and in particular the Purchaser is not acting as a "municipal advisor" (as defined in section 15B of the Exchange Act), (iii) the Purchaser has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the sale contemplated hereby or the process leading thereto (irrespective of whether the Purchaser has advised or is currently advising the City on other matters) or any other obligation to the City except the obligations expressly set forth in this Bond Purchase Agreement, (iv) the City has consulted with its own legal and financial advisors to the extent it has deemed appropriate, and (v) the Purchaser has a financial and other interest that differs from those of the City. The City agrees that it will not claim that the Purchaser has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the City in connection with the sale, and purchase of the Bonds as contemplated hereby or the process leading thereto.

13. **Indemnification.** To induce the Purchaser to enter into this Bond Purchase Agreement, the City hereby agrees, to the extent permitted by law, to indemnify

upon demand and hold harmless the Purchaser, each of the Participants and each of their respective affiliates and each partner, trustee, shareholder, director, officer, employee, advisor, representative, agent, attorney and controlling person thereof (each of the above, an “Indemnified Person”) from and against any and all actions, suits, proceedings (including any investigations or inquiries), claims, losses, damages, liabilities, costs or expenses (including fees, disbursements, settlement costs and other charges of counsel), joint or several, of any kind or nature whatsoever that may be brought or threatened by the City, any of its officers, agents, representatives, employees attorneys, creditors or any other person or entity (whether or not the City is a party to such action, suit, proceeding or claim and regardless of whether such claim is brought by or on behalf of the City) which may be incurred by or asserted against or involve any Indemnified Person (whether or not any Indemnified Person is a party to such action, suit, proceeding or claim) as a result of or arising out of or in any way related to or resulting from this Bond Purchase Agreement, the Bonds, the Quality of Life Bonds, the Bankruptcy Case (to the extent related to the transactions contemplated hereunder) or the transactions contemplated hereunder or any use or intended use of the proceeds of the Bonds or the Quality of Life Bonds (whether or not the transactions contemplated hereby are consummated), and, to the extent permitted by law, to reimburse each Indemnified Person upon demand for any documented and reasonable legal or other out-of-pocket costs and expenses incurred in connection with investigating or defending any of the foregoing; provided that the City will not have to indemnify an Indemnified Person against any action, suit, proceeding (including any investigation or inquiry), claim, loss, damage, liability, cost or expense to the extent the same resulted from the gross negligence or willful misconduct of such Indemnified Person (to the extent determined by a court of competent jurisdiction in a final and non-appealable judgment). Regardless of whether the Closing Date occurs or any ST Bond Documents or QOL Bond Documents (collectively, the “Bond Documents”) are executed and delivered or any bonds are purchased or extensions of credit are made under the Bonds or the Quality of Life Bonds, the City agrees, to the extent permitted by law, to reimburse promptly upon written demand the Purchaser and its affiliates for all documented and reasonable costs and expenses incurred in connection with the enforcement of any rights and remedies hereunder or the administration, amendment, modification or waiver of any of this Bond Purchase Agreement, the Bond Documents or any other documentation in respect of the Bonds or the Quality of Life Bonds. It is also agreed that, in furtherance of Section 11 hereof, the Purchaser shall only have liability to the City with respect to the Bonds and this Bond Purchase Agreement and not to any other person. No Indemnified Person will have any liability (whether in contract, tort or otherwise) to the City as a result of or arising out of or in any way related to or resulting from this Bond Purchase Agreement, the Bonds, the ST Bond Documents, the Quality of Life Bonds, the Bankruptcy Case (to the extent related to the transactions contemplated hereunder) or the transactions contemplated hereunder or any use or intended use of the proceeds of the Bonds or the Quality of Life Bonds, except to the extent such liability is determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person’s gross negligence or willful misconduct. Notwithstanding any other provision of this Bond Purchase Agreement, no Indemnified Person will have any responsibility or liability (whether in contract, tort or otherwise) to the City or any other

person or entity for damages arising from the use by others of any information or other materials obtained through internet, electronic, telecommunications or other information transmission systems, except to the extent such liability is determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person's gross negligence or willful misconduct.

The City's indemnity and reimbursement obligations under this Section 13 will be in addition to any liability that the City may otherwise have and will be binding upon and inure to the benefit of the successors, assigns, heirs and personal representatives of the City and the Indemnified Persons.

Neither the Purchaser nor any other Indemnified Person will be responsible or liable on any theory of liability to the City or any other person or entity for any indirect, special, punitive or consequential damages which may be alleged or otherwise claimed as a result of or in connection with this Bond Purchase Agreement, the Bonds, the ST Bond Documents, the Quality of Life Bonds, the Bankruptcy Case (to the extent related to the transactions contemplated hereunder) or the transactions contemplated hereunder or any use or intended use of the proceeds of the Bonds or the Quality of Life Bonds. This indemnification shall survive the delivery of and payment for the Bonds hereunder and continue for the benefit of all such persons or entities.

14. **Counterparts.** This Bond Purchase Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

15. **Governing Law.** This Bond Purchase Agreement shall be governed by and construed in accordance with the laws of the State of Michigan without reference to its choice of law doctrine.

16. **Jurisdiction.** To the fullest extent permitted by applicable law, each of the parties hereto irrevocably and unconditionally submits to the exclusive jurisdiction of the Bankruptcy Court in any action or proceeding arising out of or relating to this Bond Purchase Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such Court; provided, however, if the Bankruptcy Court does not have jurisdiction, the parties consent to the non-exclusive jurisdiction of the courts of the State of New York, and the United States District Court, located in the Borough of Manhattan in New York City and of the courts of the State of Michigan, and the United States District Court for the Eastern District of Michigan, located in Detroit, Michigan. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

17. **Waiver of Jury Trial.** Any right to trial by jury with respect to any action, suit, proceeding, claim or counterclaim brought by or on behalf of any party hereto arising in connection with or as a result of any matter referred to in this Bond

Purchase Agreement or the transactions contemplated hereunder is hereby irrevocably waived by the parties hereto.

18. **Syndication.** (a) The Purchaser reserves the right to syndicate all or a portion of the Bonds or the Quality of Life Bonds by assigning or selling participations in the Bonds and the Quality of Life Bonds to a group of banks, financial institutions and other institutional lenders (together with the Purchaser, the “Participants”) identified by the Purchaser in consultation with and with the consent of the City, such consent not to be unreasonably withheld, delayed or conditioned (it being agreed that the City’s consent shall be deemed to have been given if the City has not responded within five (5) Business Days of an assignment request). Notwithstanding the foregoing, unless otherwise agreed by the City in writing, no assignment by the Purchaser of its commitments hereunder prior to the Closing Date will reduce or release the Purchaser’s obligations to purchase the Bonds on the Closing Date in the event any assignee shall fail to do so on the Closing Date. For the avoidance of doubt, the syndication may occur, in whole or in part, after the Closing Date. Purchaser will lead the syndication and exclusively manage all aspects of the syndication, including determining the timing of all offers to prospective Participants, the acceptance of commitments, the amounts offered and the compensation provided to each Participant from the amounts to be paid to the Purchaser pursuant to the terms of this Bond Purchase Agreement and the Fee Letter and will determine the final commitment allocations. The City hereby acknowledges and agrees that the Purchaser, in its capacity as the arranger of the syndication described in this Section 18, will have no responsibility other than to arrange the syndication as set forth herein and in no event shall the Purchaser be subject to any fiduciary or other implied duties in connection with the transactions contemplated hereby.

(b) The City agrees to actively assist the Purchaser until 90 days after the Closing Date (the “Syndication Period”), in completing timely and orderly syndications satisfactory to the Purchaser. Such assistance shall include (a) direct contact during the syndications between the City and its agents, representatives and advisors, on the one hand, and the proposed Participants, on the other hand, (b) the hosting, with the Purchaser, of one or more meetings of or telephone conference calls with prospective Participants at times and locations to be mutually agreed upon, and (c) upon the request of the Purchaser, the City using commercially reasonable efforts to assist the Purchaser in procuring a credit rating in respect of the Bonds from Standard & Poor’s Rating Services and Moody’s Investors Service, Inc. During the Syndication Period, the City agrees that there shall be no competing issues, offerings, placements or arrangements of debt securities or commercial bank or other credit facilities of the City being issued, offered, placed or arranged. Notwithstanding anything to the contrary contained in this Bond Purchase Agreement or any other letter agreement or undertaking concerning the financing of the transactions contemplated hereby to the contrary, the completion of the syndication of the Bonds shall not constitute a condition to the commitments hereunder or the purchase of the Bonds on the Closing Date.

(c) In the event that the Closing Date has occurred and the ST Bond Documents have been executed and delivered prior to the Successful Syndication of the Bonds and the Quality of Life Bonds, the City hereby agrees, at its own expense, to take

all such action as may be required in order to effect any amendments to the Bonds and the Quality of Life Bonds or other changes as may be necessary or reasonably requested by the Purchaser to document any changes pursuant to the market flex provisions set forth in the Fee Letter, provided, however, that the City's obligations hereunder shall be subject to the time limitations expressly set forth in the Fee Letter. The City further agrees to reasonably cooperate with the Purchaser with regard to immaterial changes requested by potential participants prior to the Successful Syndication of the Bonds and the Quality of Life Bonds, provided, however, that the City's obligations hereunder shall be subject to the time limitations expressly set forth in the Fee Letter.

19. **Information**

To assist the Purchaser in its syndication efforts during the Syndication Period, the City agrees to promptly prepare and provide to the Purchaser all information with respect to the City and the transactions contemplated hereby in form and substance satisfactory to the Purchaser, including such financial information and projections as the Purchaser may reasonably request in connection with the structuring, arrangement and syndication of the Bonds. The City represents, warrants and covenants that: (i) all information (other than the projections and other forward looking information (the "Projections")) that has been or will be made available to the Purchaser, the Participants or any of their respective affiliates directly or indirectly by or on behalf of the City or its agents or representatives in connection with the Bonds is and will be, when taken as a whole, complete and correct in all material respects and does not and will not, when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein not misleading in light of the circumstances under which such statements are made and (ii) the Projections that have been or will be made available directly or indirectly to the Purchaser, the Participants or any of their respective affiliates by or on behalf of the City or its agents or representatives have been and will be prepared in good faith upon assumptions that are believed by the City to be reasonable when made and when made available to the Purchaser, the Participants and their respective affiliates. The City agrees that if at any time prior to the Closing Date, and thereafter during the Syndication Period, any of the representations in the preceding sentence would be incorrect in any material respect if made at such time, then the City will promptly, at its own expense, supplement, or cause to be supplemented, the information and Projections so that such representations will be correct in all material respects in light of the circumstances under which statements are made. The City understands that the Purchaser may use and rely on the information and Projections without independent verification thereof.

11. No Third Party Beneficiaries; Survival of Representations, Covenants and Agreements. This Bond Purchase Agreement is made solely for the benefit of the City and the Purchaser (including the successors or assigns of the Purchaser). No other person shall acquire or have any right hereunder or by virtue hereof. All the representations, warranties, covenants and agreements contained in this Bond Purchase

Agreement shall remain operative and in full force and effect for so long as the Bonds have not been paid regardless of any investigation made by or on behalf of the Purchaser and such representations, warranties, covenants and agreements shall survive the delivery of and payment for the Bonds hereunder unless this Bond Purchase Agreement shall be terminated for the reasons described in Section 3 hereof, in which case the survival provisions contained in such paragraph shall control.

12. **Disclaimer of Purchaser.** It is expressly understood and agreed by and between the City and the Purchaser that the Purchaser is not acting as the City's selling or marketing agent hereunder. The City acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Bond Purchase Agreement is an arm's-length commercial transaction between the City and the Purchaser, (ii) in connection therewith and with the process leading to such transaction the Purchaser is acting solely as a principal and not the agent, advisor or fiduciary of the City, and in particular the Purchaser is not acting as a "municipal advisor" (as defined in section 15B of the Exchange Act), (iii) the Purchaser has not assumed an advisory or fiduciary responsibility in favor of the City with respect to the sale contemplated hereby or the process leading thereto (irrespective of whether the Purchaser has advised or is currently advising the City on other matters) or any other obligation to the City except the obligations expressly set forth in this Bond Purchase Agreement, (iv) the City has consulted with its own legal and financial advisors to the extent it has deemed appropriate, and (v) the Purchaser has a financial and other interest that differs from those of the City. The City agrees that it will not claim that the Purchaser has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the City in connection with the sale, and purchase of the Bonds as contemplated hereby or the process leading thereto.

13. **Indemnification.** To induce the Purchaser to enter into this Bond Purchase Agreement, the City hereby agrees, to the extent permitted by law, to indemnify upon demand and hold harmless the Purchaser, each of the Participants and each of their respective affiliates and each partner, trustee, shareholder, director, officer, employee, advisor, representative, agent, attorney and controlling person thereof (each of the above, an "Indemnified Person") from and against any and all actions, suits, proceedings (including any investigations or inquiries), claims, losses, damages, liabilities, costs or expenses (including fees, disbursements, settlement costs and other charges of counsel), joint or several, of any kind or nature whatsoever that may be brought or threatened by the City, any of its officers, agents, representatives, employees attorneys, creditors or any other person or entity (whether or not the City is a party to such action, suit, proceeding or claim and regardless of whether such claim is brought by or on behalf of the City) which may be incurred by or asserted against or involve any Indemnified Person (whether or not any Indemnified Person is a party to such action, suit, proceeding or claim) as a result of or arising out of or in any way related to or resulting from this Bond Purchase Agreement, the Bonds, the Swap Termination Bonds, the Bankruptcy Case (to the extent related to the transactions contemplated hereunder) or the transactions contemplated hereunder or any use or intended use of the proceeds of the Bonds or the Swap Termination Bonds (whether or not the transactions contemplated hereby are consummated), and, to the extent permitted by law, to reimburse each Indemnified

Person upon demand for any documented and reasonable legal or other out-of-pocket costs and expenses incurred in connection with investigating or defending any of the foregoing; provided that the City will not have to indemnify an Indemnified Person against any action, suit, proceeding (including any investigation or inquiry), claim, loss, damage, liability, cost or expense to the extent the same resulted from the gross negligence or willful misconduct of such Indemnified Person (to the extent determined by a court of competent jurisdiction in a final and non-appealable judgment). Regardless of whether the Closing Date occurs or any QOL Bond Documents or ST Bond Documents (collectively, the "Bond Documents") are executed and delivered or any bonds are purchased or extensions of credit are made under the Bonds or the Swap Termination Bonds, the City agrees, to the extent permitted by law, to reimburse promptly upon written demand the Purchaser and its affiliates for all documented and reasonable costs and expenses incurred in connection with the enforcement of any rights and remedies hereunder or the administration, amendment, modification or waiver of any of this Bond Purchase Agreement, the Bond Documents or any other documentation in respect of the Bonds or the Swap Termination Bonds. It is also agreed that, in furtherance of Section 11 hereof, the Purchaser shall only have liability to the City with respect to the Bonds and this Bond Purchase Agreement and not to any other person. No Indemnified Person will have any liability (whether in contract, tort or otherwise) to the City as a result of or arising out of or in any way related to or resulting from this Bond Purchase Agreement, the Bonds, the QOL Bond Documents, the Swap Termination Bonds, the Bankruptcy Case (to the extent related to the transactions contemplated hereunder) or the transactions contemplated hereunder or any use or intended use of the proceeds of the Bonds or the Swap Termination Bonds, except to the extent such liability is determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person's gross negligence or willful misconduct. Notwithstanding any other provision of this Bond Purchase Agreement, no Indemnified Person will have any responsibility or liability (whether in contract, tort or otherwise) to the City or any other person or entity for damages arising from the use by others of any information or other materials obtained through internet, electronic, telecommunications or other information transmission systems, except to the extent such liability is determined in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Person's gross negligence or willful misconduct.

The City's indemnity and reimbursement obligations under this Section 13 will be in addition to any liability that the City may otherwise have and will be binding upon and inure to the benefit of the successors, assigns, heirs and personal representatives of the City and the Indemnified Persons.

Neither the Purchaser nor any other Indemnified Person will be responsible or liable on any theory of liability to the City or any other person or entity for any indirect, special, punitive or consequential damages which may be alleged or otherwise claimed as a result of or in connection with this Bond Purchase Agreement, the Bonds, the QOL Bond Documents, the Swap Termination Bonds, the Bankruptcy Case (to the extent related to the transactions contemplated hereunder) or the transactions contemplated hereunder or any use or intended use of the proceeds of the Bonds or the Swap Termination Bonds. This indemnification shall survive the delivery of and payment for the Bonds hereunder and continue for the benefit of all such persons or entities.

14. **Counterparts.** This Bond Purchase Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

15. **Governing Law.** This Bond Purchase Agreement shall be governed by and construed in accordance with the laws of the State of Michigan without reference to its choice of law doctrine.

16. **Jurisdiction.** To the fullest extent permitted by applicable law, each of the parties hereto irrevocably and unconditionally submits to the exclusive jurisdiction of the Bankruptcy Court in any action or proceeding arising out of or relating to this Bond Purchase Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such Court; provided, however, if the Bankruptcy Court does not have jurisdiction, the parties consent to the non-exclusive jurisdiction of the courts of the State of New York, and the United States District Court, located in the Borough of Manhattan in New York City and of the courts of the State of Michigan, and the United States District Court for the Eastern District of Michigan, located in Detroit, Michigan. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

17. **Waiver of Jury Trial.** Any right to trial by jury with respect to any action, suit, proceeding, claim or counterclaim brought by or on behalf of any party hereto arising in connection with or as a result of any matter referred to in this Bond Purchase Agreement or the transactions contemplated hereunder is hereby irrevocably waived by the parties hereto.

18. **Syndication.** (a) The Purchaser reserves the right to syndicate all or a portion of the Bonds or the Swap Termination Bonds by assigning or selling participations in the Bonds and the Swap Termination Bonds to a group of banks, financial institutions and other institutional lenders (together with the Purchaser, the "Participants") identified by the Purchaser in consultation with and with the consent of the City, such consent not to be unreasonably withheld, delayed or conditioned (it being agreed that the City's consent shall be deemed to have been given if the City has not responded within five (5) Business Days of an assignment request). Notwithstanding the foregoing, unless otherwise agreed by the City in writing, no assignment by the Purchaser of its commitments hereunder prior to the Closing Date will reduce or release the Purchaser's obligations to purchase the Bonds on the Closing Date in the event any assignee shall fail to do so on the Closing Date. For the avoidance of doubt, the syndication may occur, in whole or in part, after the Closing Date. Purchaser will lead the syndication and exclusively manage all aspects of the syndication, including determining the timing of all offers to prospective Participants, the acceptance of commitments, the amounts offered and the compensation provided to each Participant from the amounts to be paid to the Purchaser pursuant to the terms of this Bond Purchase

Agreement and the Fee Letter and will determine the final commitment allocations. The City hereby acknowledges and agrees that the Purchaser, in its capacity as the arranger of the syndication described in this Section 18, will have no responsibility other than to arrange the syndication as set forth herein and in no event shall the Purchaser be subject to any fiduciary or other implied duties in connection with the transactions contemplated hereby.

(b) The City agrees to actively assist the Purchaser until 90 days after the Closing Date (the “Syndication Period”), in completing timely and orderly syndications satisfactory to the Purchaser. Such assistance shall include (a) direct contact during the syndications between the City and its agents, representatives and advisors, on the one hand, and the proposed Participants, on the other hand, (b) the hosting, with the Purchaser, of one or more meetings of or telephone conference calls with prospective Participants at times and locations to be mutually agreed upon, and (c) upon the request of the Purchaser, the City using commercially reasonable efforts to assist the Purchaser in procuring a credit rating in respect of the Bonds from Standard & Poor’s Rating Services and Moody’s Investors Service, Inc. During the Syndication Period, the City agrees that there shall be no competing issues, offerings, placements or arrangements of debt securities or commercial bank or other credit facilities of the City being issued, offered, placed or arranged. Notwithstanding anything to the contrary contained in this Bond Purchase Agreement or any other letter agreement or undertaking concerning the financing of the transactions contemplated hereby to the contrary, the completion of the syndication of the Bonds shall not constitute a condition to the commitments hereunder or the purchase of the Bonds on the Closing Date.

(c) In the event that the Closing Date has occurred and the QOL Bond Documents have been executed and delivered prior to the Successful Syndication of the Bonds and the Swap Termination Bonds, the City hereby agrees, at its own expense, to take all such action as may be required in order to effect any amendments to the Bonds and the Swap Termination Bonds or other changes as may be necessary or reasonably requested by the Purchaser to document any changes pursuant to the market flex provisions set forth in the Fee Letter, provided, however, that the City’s obligations hereunder shall be subject to the time limitations expressly set forth in the Fee Letter. The City further agrees to reasonably cooperate with the Purchaser with regard to immaterial changes requested by potential participants prior to the Successful Syndication of the Bonds and the Swap Termination Bonds, provided, however, that the City’s obligations hereunder shall be subject to the time limitations expressly set forth in the Fee Letter.

19. **Information**

To assist the Purchaser in its syndication efforts during the Syndication Period, the City agrees to promptly prepare and provide to the Purchaser all information with respect to the City and the transactions contemplated hereby in form and substance satisfactory to the Purchaser, including such financial information and projections as the Purchaser may reasonably request in connection with the structuring, arrangement and syndication of the Bonds. The City represents, warrants and covenants that: (i) all information (other than

the projections and other forward looking information (the “Projections”)) that has been or will be made available to the Purchaser, the Participants or any of their respective affiliates directly or indirectly by or on behalf of the City or its agents or representatives in connection with the Bonds is and will be, when taken as a whole, complete and correct in all material respects and does not and will not, when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein not misleading in light of the circumstances under which such statements are made and (ii) the Projections that have been or will be made available directly or indirectly to the Purchaser, the Participants or any of their respective affiliates by or on behalf of the City or its agents or representatives have been and will be prepared in good faith upon assumptions that are believed by the City to be reasonable when made and when made available to the Purchaser, the Participants and their respective affiliates. The City agrees that if at any time prior to the Closing Date, and thereafter during the Syndication Period, any of the representations in the preceding sentence would be incorrect in any material respect if made at such time, then the City will promptly, at its own expense, supplement, or cause to be supplemented, the information and Projections so that such representations will be correct in all material respects in light of the circumstances under which statements are made. The City understands that the Purchaser may use and rely on the information and Projections without independent verification thereof.

Very truly yours,

The Trustee shall request in each notice sent to Cede & Co., pursuant to the terms of this Indenture, that Cede & Co. forward or cause to be forwarded such notice to the DTC Participants, but neither the Trustee nor the City shall be liable if Cede & Co. fails to honor such request.

Section 303 Interchangeability of Bonds. In the event that Bonds are no longer registered in the name of Cede & Co., as nominee of DTC, Bonds, upon surrender thereof at the corporate trust office of the Trustee with a written instrument of transfer satisfactory to the

Trustee, duly executed by the Owner or his duly authorized attorney, may at the option of the Owner thereof, and upon payment by such Owner of any charges which the Trustee may make as provided in Section 306, be exchanged for an equal aggregate principal amount of Bonds of the same Series and maturity bearing the same rate of interest and having the same terms of any of the authorized denominations; provided, however, that the exchange of Bonds may be restricted by the Supplemental Indenture pursuant to which such Bonds are issued.

Section 304 Negotiability, Transfer and Bond Registry. All the Bonds issued under this Indenture shall be negotiable, subject to the provisions for registration, transfer and exchange contained in this Indenture and in the Bonds in consultation with and with the consent of the City, such consent not to be unreasonably withheld, delayed or conditioned (it being agreed that the City's consent shall be deemed to have been given if the City has not responded within five (5) Business Days of an assignment request). So long as any of the Bonds remain Outstanding, the City shall maintain and keep, at the designated corporate trust office of the Trustee, which may be one or more banks or trust companies or national banking associations appointed by the City, books for the registration, transfer and exchange of Bonds. Upon presentation thereof for such purpose at said office, the City shall register or cause to be registered in such books, and permit to be transferred thereon, any Bonds pursuant to such reasonable regulations as it or the Trustee may prescribe. So long as any of the Bonds remain Outstanding, the City shall make all necessary provisions to permit the exchange of Bonds at the corporate trust office of the Trustee.

Section 305 Transfer of Bonds. (A) The registration of each Bond is transferable, in consultation with and with the consent of the City, such consent not to be unreasonably withheld, delayed or conditioned (it being agreed that the City's consent shall be deemed to have been given if the City has not responded within five (5) Business Days of an assignment request), only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Trustee together with a written instrument of transfer satisfactory to the Trustee, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor.

(B) Each Bond may be exchanged for one or more Bonds in equal aggregate principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Trustee together with a written instrument of transfer satisfactory to the Trustee, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306 Regulations With Respect to Exchanges and Transfers. (A) In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the City shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in such exchanges or transfers shall be forthwith canceled by the Trustee.

(B) For every such exchange or transfer of Bonds, the City or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and may charge a sum sufficient to pay the cost of preparing each new Bond issued upon such exchange or transfer, which sums shall be paid by the Bondowner requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(C) The Trustee shall not be required (i) to issue, exchange or transfer any Bond during a period beginning on the opening of business 15 days before the giving of a notice of redemption and ending on the date of the mailing of notice of such redemption, or (ii) to transfer or exchange Bonds called or being called for redemption, except the unredeemed portion of Bonds being redeemed in part.

Section 307 Bonds Mutilated, Destroyed, Stolen or Lost. If any Bond shall become mutilated, the City, at the expense of the Registered Owner of the Bond, shall execute, and the Trustee shall authenticate and deliver, a new Bond of like tenor in exchange and substitution for the mutilated Bond, upon surrender to the Trustee of the mutilated Bond. If any Bond issued under this Indenture shall be lost, destroyed or stolen, evidence of the loss, destruction or theft may be submitted to the Trustee and, if this evidence is satisfactory to both and indemnity satisfactory to the Trustee shall be given, and if all requirements of any applicable law including Act 354, Public Acts of Michigan, 1972, as amended (“Act 354”), being sections 129.131 to 129.135, inclusive, of the Michigan Compiled Laws have been met, the City, at the expense of the owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and bearing the statement required by Act 354, or any applicable law hereafter enacted, in lieu of and in substitution for the Bond so lost, destroyed or stolen. In any such Bond shall have matured or shall be about to mature, instead of issuing a substitute Bond the Trustee may pay the same without surrender thereof.

Section 308 Cancellation and Destruction of Bonds. All Bonds paid or redeemed by the City, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bond, together with all Bonds purchased by the Trustee, shall thereupon be promptly cancelled. Bonds so cancelled may at any time be cremated or otherwise destroyed by the Trustee, who shall execute a Certificate of cremation or destruction in duplicate by the signature of one of its authorized officers describing the Bonds so cremated or otherwise destroyed. Such executed Certificate shall be filed with the City and the other executed Certificates shall be retained by the Trustee.

Section 309 Redemption. The Bonds shall be subject to optional and mandatory redemption as set forth in the form of Bonds attached hereto as Exhibit A and Exhibit B. The Bonds shall only be redeemed in Authorized Denominations. No partial redemption of Bonds is authorized, unless as a result of such partial redemption, the remaining Outstanding Bonds of a series shall be in Authorized Denominations.

Section 310 Selection of Bonds to be Redeemed. Subject to any rules and procedures of a securities depository for Bonds held in book-entry form, in the event of redemption of less than all the Outstanding Bonds of like series and maturity, the Trustee shall assign to each such Outstanding Bond a distinctive number for each minimum denomination of the principal amount

thereof so as to distinguish each such minimum denomination from each other portion of the Bonds subject to such redemption. The Trustee shall select by lot, using such method of selection as it shall deem proper in its sole discretion, from the numbers of all such Bonds then Outstanding of such maturity, as many numbers as, at the minimum denomination for each number, shall equal the principal amounts of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; but only so much of the principal amount of each such Bonds of a denomination of more than the minimum denomination shall be redeemed as shall equal the minimum denomination for each number assigned to it and so selected. For the purposes of this Section, Bonds which have theretofore been selected by lot for redemption shall not be deemed Outstanding.

Any integral multiple of a minimum denomination may, if so specified by the provisions of a Supplemental Indenture, be utilized in connection with the partial redemption of Bonds issued pursuant to such Supplemental Indenture and such Bonds shall be subject to selection for redemption in the amount of such multiple but otherwise in accordance with this Section.

Section 311 Notice of Redemption. When redemption of Bonds is required by this Indenture, the Trustee shall give notice, in the name of the City, of the redemption of such Bonds. Such notice shall specify the Series and maturities of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable and, if less than all the Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of registered Bonds to be redeemed in part only, together with interest accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be given by first class mail or registered or certified mail, return receipt requested, not less than ten (10) business days nor more than sixty (60) days before the Redemption Date to the Owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry books, but failure so to mail any such notice shall not affect the validity of the proceedings for the redemption of Bonds with respect to which no such failure occurred; provided, however, that shorter periods before the Redemption Date during which notice pursuant to this Section must be given may be prescribed by a Bond Order or Supplemental Indenture as to Bonds issued pursuant to such Bond Order or Supplemental Indenture. As directed by the City, further notice shall be given by the Trustee in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 312 Payment of Redeemed Bonds. Notice having been given by mail in the manner provided in Section 311, the Bonds or portions thereof so called for redemption shall become due and payable on the Redemption Date so designated at the Redemption Price, plus interest accrued and unpaid to the Redemption Date, and, upon presentation and surrender thereof at the office specified in such notice, such Bonds, or portions thereof, shall be paid at the

Redemption Price plus interest accrued and unpaid to the Redemption Date. If there shall be called for redemption less than the entire principal amount of a Bond, the City shall execute, the Trustee shall authenticate and the Trustee shall deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered at the option of the Owner, Bonds of like series and maturity in any of the authorized denominations. If, on the Redemption Date, moneys for the redemption of all the Bonds or portions thereof of any like series and maturity to be redeemed, together with interest to the Redemption Date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been mailed as aforesaid, then, from and after the Redemption Date, interest on the Bonds or portions thereof of such series and maturities so called for redemption shall cease to accrue and become payable. If said moneys shall not be available on the Redemption Date, such Bonds or portions thereof shall continue to bear interest until paid or provided for at the same rate as they would have borne had they not been called for redemption.

To the fullest extent provided by applicable laws, the money and property hereby pledged shall immediately be subject to the lien of such pledge without any physical delivery thereof, without the necessity of the execution, recordation of filings by the City of financing statements, notices of liens, control agreements or other security documents or the possession or control by the Trustee over any of the Trust Estate, or further act and such lien shall be valid and binding against all parties having claims in tort, contract or otherwise against the City, irrespective of whether such parties have notice of the claim. Neither the Bond Orders authorizing the Bonds nor this Indenture nor any Supplemental Indenture need be recorded.

Section 402 Creation of Liens. In order to effectuate the liens on the Collateral in favor of the holders of the Bonds, the City and the Trustee each hereby covenant to enter into the Account Control Agreements with the Depository Banks.

ARTICLE X

SUPPLEMENTAL INDENTURES AND AMENDMENTS TO THIS INDENTURE

Section 1001 Modifications and Amendments Not Requiring Consent. Any provision of this Indenture may be amended at any time by the parties hereto, without the consent of the holders of the Bonds, for any one or more of the following purposes:

(a) To cure any ambiguity or formal defect or omission in this Indenture or in any supplemental agreement.

(b) To grant to or confer upon the Trustee for the benefit of the holders of Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon such holders or the Trustee.

(c) To accomplish, implement or give effect to any other action which is expressly authorized or required by this Indenture.

(d) To comply with the requirements of the Internal Revenue Code of 1986, as amended, applicable to the Bonds.

(e) To appoint separate or successor trustees, paying agents or bond registrars.

(f) To make any other change which, in the judgment of the Trustee, is not to the material prejudice of holders of the Bonds, upon the opinion of Bond Counsel or other professionals.

Within thirty (30) days after the execution of any supplement pursuant to this Section 1001, the Trustee shall cause notice thereof to be mailed, postage prepaid to all owners of Bonds at their addresses as they appear on the registration books. The notice shall briefly set forth the nature of the supplement and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection by all such holders. Any such supplement so executed shall be valid and binding notwithstanding any failure of the Trustee to mail the notice herein required and notwithstanding any objections which may be received pursuant to any mailed notice.

Upon the execution of any supplement pursuant to the provisions of this Section, this Indenture shall be deemed to be modified and amended in accordance therewith and the respective rights, duties and obligations under this Indenture of the City, the Trustee and all holders of outstanding Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Section 1002 Amendments Requiring Consent. Any provision of this Indenture may be amended at any time by written agreement of the parties hereto, but, except as provided in this Section 1002, no such amendment made after the issuance of any Bonds shall become effective until approved in writing by the holders of a majority of the principal amount of all outstanding Bonds, other than those in the possession of the City or under its control; provided, however, no such amendment may (i) extend the maturity of the principal of or the interest on any Bonds or (ii) reduce the principal amount of any Bonds or the rate of interest thereon, or (iii) grant a privilege or priority of any Bonds over any other Bonds of the same series, or (iv) reduce the aggregate principal amount of the Bonds required for consent to such supplemental or amendatory indenture unless approved by the holders of all outstanding Bonds. Nothing herein contained, however, shall be construed as making necessary the approval of the holders of Bonds of the execution of any supplement as authorized in Section 1001 of this Article.

If at any time the City shall request the Trustee to execute any supplement for any of the purposes of this Section 1002, the Trustee shall cause notice of the proposed supplement to be mailed, postage prepaid to all applicable owners of registered Bonds at their addresses as they appear on the registration books. The notice shall briefly set forth the nature of the proposed supplement and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by any holders of Bonds. Whenever, at any time within one year after the date of the first mailing of such notice, the City shall deliver to the Trustee an instrument or instruments in writing purporting to be executed by the holders of not less than a majority in aggregate principal amount of the Bonds outstanding, which instrument or instruments shall refer to the proposed supplement described in such notice and shall specifically consent to and approve the acceptance thereof in substantially the form of the copy thereof referred to in such notice, the Trustee may, thereupon, but not

otherwise, execute such supplement, without liability or responsibility to any holder of any Bond, whether or not such holder shall have consented thereto. If the holders of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of the acceptance of such supplement shall have consented to and approved the acceptance thereof as herein provided, no holder of any Bonds shall have any right to object to the acceptance of said supplement, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the acceptance thereof or to enjoin or restrain the Trustee from executing the same or from taking any action pursuant to the provisions thereof.

Upon the execution of any supplement pursuant to the provisions of this Section, this Indenture shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the City, the Trustee and all holders of Bonds outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Section 1003 Consent of Trustee. Prior to executing any supplement to this Indenture, the Trustee shall be entitled to receive and shall be fully protected in relying upon a certificate of the City as proof of the necessity or desirability of any such supplement provided for in Section 1001 hereof and an opinion of counsel for the City that such supplement complies with the provisions of such Section. Such certificate shall specifically request the Trustee to enter into such supplement. Whenever the provisions of Sections 1001 and 1002 hereof require the Trustee to include in notices to holders of Bonds a description of a proposed amendment or supplement, such description shall be provided by the City.

The Trustee may in its discretion, but shall not be obligated to, enter into any such supplement to this Indenture authorized by Section 1001 and 1002 which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 1004 General Provisions Relating to Supplemental Indentures. This Indenture shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article X. Nothing contained in this Article X shall affect or limit the rights or obligations of the City to execute and deliver to the Trustee any instrument elsewhere in this Indenture provided for or permitted to be delivered to the Trustee.

A copy of every Supplemental Indenture entered into pursuant to this Indenture shall be accompanied by a Bond Counsel's Opinion stating that such Supplemental Indenture has been duly and lawfully adopted in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture, is valid and binding upon the parties to the Supplemental Indenture and enforceable in accordance with its terms and, in the case of Bonds the interest upon which is excludable from gross income for federal income tax purposes, stating that such Supplemental Indenture will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on such Bonds.

Whereas, on March 28, 2013, Michigan Public Act 436 of 2012 ("PA 436") became effective and Kevyn D. Orr became the Emergency Manager ("EM") for the City of Detroit (the "City") with all the powers and duties provided under PA 436; and

Pursuant to section 9(2) of PA 436, the EM "shall act for and in the place and stead of" the Detroit Mayor and City Council; and

Section 9(2) of PA 436 also grants the EM "broad powers in receivership to rectify the financial emergency and to assure the fiscal accountability of the [City] and the [City's] capacity to provide or cause to be provided necessary governmental services essential to the public health, safety, and welfare;" and

Pursuant to section 10(1) of PA 436, the EM may "issue to the appropriate local elected and appointed officials and employees, agents, and contractors of the local government the orders the emergency manager considers necessary to accomplish the purposes of [PA 436], including, but not limited to, orders for the timely and satisfactory implementation of a financial and operating plan" or "to take actions, or refrain from taking actions, to enable the orderly accomplishment of the financial and operating plan;" and

Section 12(1)(a) of PA 436 authorizes the EM, "notwithstanding any charter

provision to the contrary,” to “[a]nalyze the factors and circumstances contributing to the financial emergency of the local government and initiate steps to correct the condition;” and

Section 12(1)(b) of PA 436 authorizes the EM, “notwithstanding any charter provision to the contrary,” to “[a]mend, revise, approve, or disapprove the budget of the local government, and limit the total amount appropriated or expended;” and

Section 12(1)(c) of PA 436 authorizes the EM, “notwithstanding any charter provision to the contrary,” to “[r]eceive and disburse on behalf of the local government all federal, state, and local funds earmarked for the local government. These funds may include, but are not limited to, funds for specific programs and the retirement of debt;” and

Section 12(1)(ee) of PA 436 authorizes the EM, “notwithstanding any charter provision to the contrary,” to “[t]ake any other action or exercise any power or authority of any officer, employee, department, board, commission, or other similar entity of the local government, whether elected or appointed, relating to the operation of the local government. The local emergency financial assistance loan board shall approve the proposal that best serves the interest of the public in that local government;" and

Pursuant to section 36a of the Home Rule City Act, Public Act 279 of 1909 (the "Home Rule City Act"), the City is authorized to issue on or more series of Financial Recovery Bonds; and

On July 18, 2013 (the "Petition Date"), the City filed a petition for relief pursuant to chapter 9 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (as amended, the "Bankruptcy Code") in the United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court"); and

In its bankruptcy case, the City filed its Motion for Entry of an Order (I) Authorizing the Assumption of that Certain Forbearance and Optional Termination Agreement Pursuant to Section 365(a) of the Bankruptcy Code, (II) Approving Such Agreement Pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure, and (III) Granting Related Relief (the "Settlement Motion"), which motion is currently pending before the Bankruptcy Court; and

Pursuant to the Settlement Motion, the City is seeking the Bankruptcy Court's approval of the Forbearance and Optional Termination Agreement dated as of July 15, 2013, among the City, the Emergency Manager of the City, the Detroit General Retirement System Service Corporation, the Detroit Police and Fire Retirement System Service Corporation, on the one hand, and UBS AG and Merrill Lynch Capital Services, Inc., on the other (as amended, the "Forbearance Agreement"), pursuant to which, if approved by the Bankruptcy Court, the City would have the option to have UBS AG and Merrill Lynch Capital Services, Inc. terminate certain swap agreements (the "Swap Agreements") with the Detroit General Retirement System Service Corporation and the Detroit Police and Fire Retirement System Service Corporation at a market discount rate; and

On or around October 7, 2013, the City reached agreement on the material terms of a secured financing transaction, which such material terms are identified on the term sheets attached hereto as Exhibit A (the "Term Sheets"), with the lenders party to such Term Sheets (the "Lenders"); and

The EM believes that it is in the best interests of the City and its residents to obtain secured financing consistent with the Term Sheets ("Secured Financing") to address the objectives of PA 436, advance its chapter 9 restructuring efforts and promote the health, safety and welfare of the residents of the City consistent with the restructuring proposals set forth in the City's June 14, 2013, Proposal for Creditors; and

The EM anticipates using the Secured Financing to restructure and eliminate certain of the City's debts and fiscal obligations, including, but not limited to, the obligations of the City in connection with the Swap Agreements. The EM also expects to use the Secured Financing to advance certain key investment initiatives of the City, including,

but not limited to, essential investments in blight removal, public safety and technology infrastructure; and

The EM further believes that (a) it is necessary and appropriate in connection with the City's restructuring efforts, and to promote the goals of the such restructuring, to pursue the Secured Financing; (b) the City should be authorized, consistent with the terms of this Order, to negotiate, document, and execute such documents as may be necessary or appropriate to effectuate the Secured Financing and to consummate the transactions contemplated by the Term Sheets; and (c) pursuing the foregoing will directly benefit the City, its creditors, residents, and other interested parties.

City of Detroit
\$350,000,000 Post-Petition Bond Financing
Summary of Indicative Terms and Conditions of Swap Termination Note

Set forth below is a summary of certain key terms for the Swap Termination Note (as defined below). This summary of indicative terms and conditions (this "Term Sheet") does not purport to summarize all terms of the Swap Termination Note and related documentation.

1. PARTIES AND TRANSACTIONS

Issuer: The City of Detroit (the "City"). On July 18, 2013 (the "Petition Date"), the City filed a voluntary petition for relief under chapter 9 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (as amended, the "Bankruptcy Code"), in the U.S. Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court"). The City's bankruptcy case bears case number 13-53846 (the "Bankruptcy Case") and has been assigned to the Honorable Steven W. Rhodes. The order for relief has not yet been entered; objections are pending.

Purchaser and Sole
Lead Arranger: Barclays Capital Inc.

Note Agent: Barclays Capital Inc.

2. TYPE AND AMOUNT OF FACILITY

Type and Amount: A Note Purchase Agreement governing the one-time purchase of a security structured as a senior secured superpriority Chapter 9 debtor financing under section 364(c) of the Bankruptcy Code (the "Swap Termination Note" or the "Note" and, together with the Quality of Life Note, the "Post-Petition Facility") in an aggregate principal amount sufficient to pay amounts required under the Forbearance and Optional Termination Agreement dated as of July 15, 2013, among the City, the Emergency Manager of the City, the Detroit General Retirement System Service Corporation, the Detroit Police and Fire Retirement System Service Corporation, on the one hand, and UBS AG and Merrill Lynch Capital Services, Inc., on the other (as amended, the "Forbearance Agreement") to terminate the underlying swaps. The sum of the amount of the Swap Termination Note and the amount of the Quality of Life Note shall not exceed \$350,000,000 (the "Facility Amount").

Purposes: The Swap Termination Note may be used by the City to pay amounts required under the Forbearance Agreement to terminate the underlying swaps as approved by the Bankruptcy Court.

Maturity: The Note will mature on the earliest to occur of (a) dismissal of the Bankruptcy Case, (b) the effective date of a plan of adjustment for the City, (c) the date on which maturity of the Note is accelerated pursuant to the ST Note Documents and (d) the date that is two years and six months after the Closing Date (hereinafter defined) (in any event, the "Maturity Date").

Tax-exemption of Interest: To be determined.

Closing Date: The Closing Date shall be not later than the second business day after the last to occur of (i) the Bankruptcy Court having entered an order in form and substance satisfactory to the Purchaser (the "Post-Petition Financing Order"), authorizing the Post-Petition Facility, authorizing the City to enter into the ST Note Documents and authorizing and directing the City to perform its obligations thereunder that has not been stayed, reversed or vacated and shall not have been amended, supplemented or otherwise modified without the prior written consent of the Purchaser, (ii) the Bankruptcy Court having entered an order for relief in the Bankruptcy Case and (iii) the date on which all conditions precedent to the issuance of the Note under the ST Note Documents and the issuance of the Quality of Life Note are satisfied and the Quality of Life Note shall have been issued in accordance with the terms of the QOL Note Documents (as defined below).

Note Purchase Date: The Closing Date.

3. CERTAIN PAYMENT PROVISIONS

Scheduled Amortization of Principal: None prior to the Maturity Date.

Spread: 250 basis points, subject to the terms of the Default Interest Rate set forth below.

Note Interest Rate: 1-month LIBOR plus the Spread. LIBOR at all times shall include statutory reserves and shall be deemed to be not less than 1.00% per annum. The Post-Petition Facility shall be subject to market flex provisions.

Default Interest Rate: Upon the occurrence of an Event of Default, including the failure by the City to redeem the Note in full on the Maturity Date, at the election of the Purchaser, the initial Spread shall be increased by 200 basis points.

Interest Payment Date: Each LIBOR reset date, the date of any redemption of the Note (in whole or in part) and the Maturity Date. Interest shall be calculated on the basis of the actual number of days elapsed in a year of 360 days.

Optional Redemption: The Note may be called for redemption in whole or in part on any business day upon 10 business days' prior written notice (i) at any time on or before the first anniversary of the Closing Date, at a redemption price of 100% of the principal amount, plus accrued and unpaid interest and a make-whole premium (which shall be the amount of interest to and including the first anniversary of the Closing Date calculated at the then-current Note Interest Rate) and (ii) at any time after the first anniversary of the Closing Date, at a redemption price of 100% of the principal amount, plus accrued and unpaid interest, without premium or penalty. Notwithstanding the foregoing, partial redemptions funded by Asset Proceeds Collateral (as defined below) not required to be used to redeem the Note may occur without premium or penalty at any time upon 10 business days' prior written notice.

Mandatory Redemption: The City shall utilize all net proceeds of the voluntary disposition or monetization of any City owned asset (the "Asset Proceeds Collateral") which generates net cash proceeds exceeding \$10 million to redeem the Note and the Quality of Life Note on a ratable basis upon 10 business days' prior written notice to the Purchaser as and when such net proceeds are received by the City. Principal outstanding in respect of the Note will be due and payable in full upon the Maturity Date.

Assignment and Participation: The Purchaser may assign all or a portion of the Note to a group of banks, financial institutions and other institutional lenders identified by the Purchaser in consultation with and with the consent of the City, such consent not to be unreasonably withheld, delayed or conditioned (it being agreed that the City's consent shall be deemed to have been given if the City has not responded within five (5) business days of an assignment request). In addition, the Purchaser shall be entitled to sell participations in the Note without the consent of the City.

4. COLLATERAL AND PRIORITY

Collateral: The obligations owing by the City under the Post-Petition Facility with respect to the Swap Termination Note shall, pursuant to section 364(c) of the Bankruptcy Code, be secured by a first priority lien on: (i) the Asset Proceeds Collateral and (ii) income tax revenues of the City (the "Pledged Income Tax Revenue" and together with the Asset Proceeds Collateral, the "Swap Termination Note Collateral"). The lien on the Asset Proceeds Collateral shall also secure the Quality of Life Note on

a pari passu basis. The Quality of Life Note shall be secured by a second lien on the Pledged Income Tax Revenue.

The ST Note Documents will require that the Pledged Income Tax Revenue be deposited into one or more bank accounts (such bank accounts, the “Income Tax Revenue Accounts”), which bank accounts shall be subject to control agreements in favor of the Purchaser, provided, however, that the ST Note Documents shall limit the amount of Pledged Income Tax Revenue required to be applied to the outstanding amounts owing with respect to the Swap Termination Note during the continuation of an Event of Default to \$4 million per month. The City shall be authorized to use all other Pledged Income Tax Revenue to fund the operations of the City, without limitation, during the continuation of an Event of Default.

The Post-Petition Financing Order shall provide, among other things, that it constitutes sufficient and conclusive evidence of the validity, perfection, priority and enforceability of the liens granted thereunder, with the priority described therein, without the necessity of filing or recording any statement, mortgage, notice or other instrument or document which may otherwise be required under state or other non-bankruptcy law.

Super-Priority of Note: Pursuant to Bankruptcy Code sections 364(c), 503 and 507(a)(2), the Note shall have priority over all administrative expenses, over all other postpetition claims and over all prepetition unsecured claims.

Events of Default: Usual for municipal financings, and others to be reasonably specified by the Purchaser, including, without limitation, nonpayment of principal, interest or other amounts; non-performance of covenants and obligations; incorrectness of representations and warranties in any material respect; cross default in respect of a payment or payments of post-petition debt exceeding \$25 million or cross acceleration in respect of post-petition debt in an outstanding aggregate principal amount exceeding \$25 million; material post-petition judgments involving liability in an amount exceeding \$25 million; actual or asserted invalidity or unenforceability of any ST Note Document; written assertion by an authorized officer of the City (or any person or entity acting on behalf of or having jurisdiction over the City) that any ST Note Document or court order with respect thereto is invalid or otherwise not binding on the City; dismissal of the Bankruptcy Case; reversal or modification in a manner adverse to the Purchaser of the order for relief by entry of an order that is not stayed; the City’s filing of, consent to or lack of timely opposition to a motion seeking dismissal of the Bankruptcy Case; granting of any super-priority claim (other than as permitted under the ST Note Documents); entry of an

order without the prior written consent of the Purchaser amending, supplementing or otherwise modifying the Post-Petition Financing Order in a manner adverse to the Purchaser, or reversal, vacation or stay of the effectiveness of the Post-Petition Financing Order; cessation of liens or super-priority claims granted in respect of the Note to be valid, perfected and enforceable in all respects with the priority described herein; failure of the Pledged Income Tax Revenue to maintain a minimum level of receipts of \$30 million for any rolling 3-month period and the Income Tax Revenue Accounts to maintain a minimum aggregate value of \$5 million at all times; and the city ceases to be under the control of an emergency manager for a period of thirty (30) days unless a Transition Advisory Board or consent agreement reasonably determined by the Purchaser to ensure continued financial responsibility shall have been established.

Remedies: Upon any Event of Default, the Purchaser may declare the principal of the Note to be immediately due. Payment of such accelerated principal shall be made by the City on a monthly basis on a level debt basis equivalent to \$4 million per month, plus the pro-rata proceeds of any Asset Proceeds Collateral.

Prohibition of Additional Borrowings: The City will covenant that it will not obtain or seek to obtain any additional financing, including without limitation, any additional swap transaction, that (a) would have a senior payment priority to the Post-Petition Facility or (b) is secured by a lien on any of the collateral securing the Post-Petition Facility. The Post-Petition Financing Order shall provide, among other things, that no Asset Proceeds Collateral shall be used for any purpose other than the payment of amounts outstanding in respect of the Swap Termination Note or the Quality of Life Note.

Restrictions on Dismissal of Bankruptcy Case: The Post-Petition Financing Order will require payment of all amounts outstanding under the Post-Petition Facility prior to and notwithstanding dismissal of the Bankruptcy Case, unless otherwise agreed to by the Purchaser, and that the Bankruptcy Court or the United States District Court for the Eastern District of Michigan shall retain jurisdiction to enforce the Post-Petition Financing Order. The City will covenant that it will not seek to invalidate or refute the enforceability of any ST Note Document or the Post-Petition Financing Order, notwithstanding the dismissal of the Bankruptcy Case.

Absence of Fiduciary Relationship: The City acknowledges that the transactions described in this document are arms'-length commercial transactions and that the Purchaser is acting as principal and in its best interests. The City is relying on its own experts and advisors to determine whether the transactions described in this document are in its best interests. The City agrees that the Purchaser will act under this document as an independent contractor and that nothing in this document, the nature of the Purchaser's services or in any prior relationship will be deemed to create an advisory, fiduciary or agency relationship between the Purchaser, on the one hand, and the City, on the other hand. In addition, the Purchaser may employ the services of its affiliates in providing certain services in connection with the transactions described in this document and may exchange with such affiliates information concerning the City that may be the subject of the transactions described in this term sheet.

All payments shall be free and clear of any present or future taxes, withholdings or other deductions whatsoever (other than customary exceptions to be agreed).

Expenses:

The Purchaser shall be responsible for its expenses (including fees, disbursements and other charges of counsel) in connection with the preparation, execution and delivery of the ST Note Documents. The City shall pay all reasonable out-of-pocket expenses of the Purchaser (including the fees, disbursements and other charges of counsel) in connection with the enforcement, and any amendment or waiver, of the ST Note Documents.

Indemnification:

To the extent permitted by law, the City shall indemnify the Purchaser, and their respective affiliates, partners, directors, officers, agents and advisors and hold them harmless from and against all liabilities, damages, claims, costs, expenses (including reasonable fees, disbursements, settlement costs and other charges of counsel) arising out of, or in connection with, the Post-Petition Facility or the Bankruptcy Case (to the extent related to the Transactions) and the City's use of the Note proceeds or the commitments whether or not the City is a party to any such claim and regardless of whether such claim is brought by the City; provided that such indemnity shall not, as to any indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such indemnitee.
